 as a, I'm not a great star, 876  
 as much, as could die, 119  
 as much, as they sing, 620  
 at the heart of things, 754  
 attractive, 1151  
 barbarous in, 672  
 bare, looked on, 981  
 be with me, 858  
 being the best of all we know,  
 668  
 bereft of, 52  
 born of murmuring sound, 297  
 bring to life fresh, 476  
 burns, when unexpected, 929  
 but skin deep, 506  
 by mourning, crowned, 581  
 calls and glory shows the way,  
 186  
 come near your, 68  
 conscious stone to, grew, 408  
 courage youth, toll of, 857  
 crieth in an attic, 614  
 curved is the line of, 444  
 dead black chaos comes again,  
 102, 106  
 dedicate his, to the sun, 77  
 die for, 409  
 divinely superfluous, 947  
 double, whenever a swan, 391  
 draws us with a single hair, 212  
 dreamed that life was, 508  
 e'er gave, all that, 244  
 Elysian, 303  
 fades away, thy perfect, 619  
 fashioned well, save, 1186  
 fatal gift of, 354  
 fed my common earth, her, 857  
 filled the world with, 1254  
 filling all the land with, 705  
 fills the air with, 354  
 flower of glorious, 179  
 flowing curves of, 444  
 for ashes, give unto them, 1238  
 furred, discloses hidden, 625  
 glowing with remembered eyes,  
 953

Beauty going, feel your, 865  
 hard with respect to, 483  
 has no ebb, where, 792  
 hath strange power, 157  
 health wealth and, 165  
 heart-breaking, will remain, 947  
 hint of the old lost, 445

 humbled to the earth, 1005  
 I like their, 239

 in quest of that one, 856  
 in the heart breaks, 858  
 in this plain room, see, 902  
 intensity and pure classic, 1010  
 invisible, has a word, 881

 is everlasting, 948  
 is its own excuse, 441  
 is its own excuse for being, 409  
 is its own reward, 987  
 is not immortal, 863  
 is pleasure, 769  
 is something indescribable, 770  
 is that Medusa's head, 978  
 is truth truth beauty, 383  
 Isle of, 388  
 itself doth of itself persuade, 106  
 left their, on the shore, 408

 lives, swear that, 927  
 loved your, 793  
 lover of all, 445  
 made amends by, 805  
 making beautiful old rhyme, 108  
 manliest, 274  
 mate for, should be a man, 425  
 more amiable than, 196  
 music even in the, 145  
 must be truth, 385  
 my warm-hearted, 1034  
 mystery of, can never be com-  
 prehended, 791  
 naught but vanity in, 522  
 never guessed before, 973  
 no excellent, 111

 of a butterfly's wing, 1011  
 of a great machine, 945  
 of a human face, 858  
 of a thousand stars, 32  
 of an aged face, 905  
 of beauty, O, 893  
 of body and mind, such, 905  
 of growing plants, 1164  
 of joy, incredible, 947  
 of old men is the grey head, 1234  
 of style and harmony, 1088  
 of surpassing, 1094  
 of the good old cause, 298  
 of the house is order, 1065  
 of the infinite, 860  
 of the lilies, in the, 522  
 of the world, all the, 169  
 of the world has two edges, 919  
 of things was born before the  
 eyes, 947  
 old age that layer-up of, 68  
 or form, relates to, 480

Beauty our eyes could never see,  
 809  
 perception of, 515  
 personal, 1129  
 pitiful, 758  
 poets' forms of, 531  
 power of, I remember, 176  
 praise forms no part of, 1125  
 principle of, in all things, 385  
 principle of, shall persist, 844  
 provoketh thieves, 48  
 rhythmical creation of, 461  
 right by force of, 409  
 scandal the doom of, 1101  
 seemed great, 938  
 seems right by force of, 430  
 seen from unseen must rise, 906  
 set in rings of, 572  
 shaft of, towering high, 715

 should harbour a heart, 256  
 sister of, 994  
 slain, with him is, 102, 106  
 smiling in her tears, 327  
 soon grows familiar, 194  
 splendor of, 1064  
 stands in the admiration, 156  
 stands looking into the soul,  
 1201  
 such, as a woman's eye, 41  
 such seems your, still, 108  
 sweetest, will decay, 269  
 that is to be, 757  
 that underlies the passing phase,  
 560  
 the gift of God, 1129  
 the king all arrayed in his, 387  
 the sadness of things, the, 606  
 thou art all, 187  
 though injurious, 157  
 to wear, left thee but, 628  
 too much, upon this earth, 797  
 truly blent, 54  
 truth and love are one, 668  
 unmask her, to the moon, 90  
 verse fame and, 385  
 walks in, like the night, 356  
 wandering on her way, 793  
 was sold, her, 824  
 water is a thing of, 512  
 wealth and power, blood of, 424  
 wends, path where, 883  
 whether waking or asleep, 153  
 which old Greece or Rome, 442

 why talk of, 992  
 with thee in, 555  
 without grace, 414  
 without vanity, 351

 Beauty's chain, sport with, 337

 passion strong, in, 799  
 perfect round, 682

 Beauty-creams, tonics and the, 955  
 Beaux, where none are, 239

 Because he is my little child, 1200

 Darlings of our nation, 100  
 Darning ragged hose, 557

 Time shall throw a, at thee, 120

 Darts, bundle of, to each, 1117  
 Darts to its delight, 556

 Darted, as soon as a thought, 171  
 Darting upward now down again, 431

 Darwinian man, 624  
 Darwinism had a champion, 1011  
 Dash between the two, most a, 574

 sea was heard to, 258  
 the bomb on the dome of Paul's, 737  
 Dashed no cup from perjured lip, 504  
 through thick and thin, 174  
 to pieces, sublime, 319  
 with a little sweet, 349  
 Dashing of waves, no sound but the, 565  
 Dat ole devil sea, 958  
 Date, day's uncertain, 1058

 well-known, 904  
 which will live in infamy, 916  
 Dates and faces, 1026

 of wars and deaths of kings, 621  
 which made me, 857  
 Dateless oblivion and divine repose, 610  
 Daughter am I in my mother's house, 778  
 blind beggar's, 257  
 Clementine, 1045

 King Pharaoh's, 375  
 king's fair, 978  
 left-lonesome, 831  
 lieth at the point of death, 1242  
 light God's eldest, 147  
 like a king's own, 869  
 mother says to her, 1218  
 my, is my daughter all her life, 567  
 O my daughter, my, 670  
 of a hundred earls, 462  
 of earth and water, 366  
 of Eve, never a, 1066  
 of his voice, sole, 155  
 of Jove relentless power, 243  
 of the dawn, Aurora, 220  
 of the gods, 463  
 of the voice of God, 299  
 one fair, and no more, 92, 255  
 still harping on my, 92  
 than lovely mother lovelier still, 1098  
 that was all to him, 784  
 to my elder, 888  
 what, and what son, 952

 Daughters, Eve's, 35

 of my father's house, 55  
 of necessity, 1089  
 of the game, 75  
 stepmother of ministers, 654

Daughters sterile be in rut, 1028

Daughter's heart, preaching down

Daughters' minds, trust not your,

Daws to peck at, 100  
Dawdle in the sun, 857  
Dawes, midnight ride of William,  
986

Dawg around, quit kicking my,  
1068  
Dawn, an alleviation, 1006  
began, until the, 799  
bliss in that, to be alive, 300  
breaks brightest into, 1082  
comes up like thunder, 782  
creation's, 355  
daughter of the, 220  
eternal, 702  
exhalations of the, 318  
exhortation of the, 1064  
heard a bird at, 919  
hour before the, 881  
however fair its, 136  
in Helen's arms, that first, 794  
in the, they floated on, 375  
is breaking, grey, 396

leaping conscience in the, 943  
light-giving, 1075

lo—the, 756  
May-time and the cheerful, 299  
more day to, 515  
no, no dusk no proper time, 391  
not a vapor streaks the, 565  
of ampler life, 760  
of light, such a, 364  
of music poetry and art, 411  
of the morning after, 794  
on our darkness, 342  
on the other hand, 821  
or dark, though it be, 985  
parting is with, 771  
rosate hues of early, 516  
sacred wine of, 764  
salutation of the, 1064  
saw his campfires, gray, 878  
secret, 773  
squall raking the harbor, 904

Dawn, stared upon a, 965  
sure of the, 789  
terrible hour of the, 814  
to night, from, 937  
twilight of the, 800  
unspeakable, in happy old age,  
1184  
watching in the twilight, 1010  
whitened and the east was clear,  
659  
wind that sighs before the, 604  
with silver-sandaled feet, 723  
Dawns, diamond, 572  
God give such, 892  
Dawn's early, see by the, 992  
Dawned, gospel-light first, 246  
Dawn-encircled sea, 937  
Dawning, bird of, 89  
is the night for you and me, 625  
of her thigh, 134  
of the day, ere the, 738  
tongue and pen, aid the, 503  
Dawn-winds blow, until the, 766  
Day, a chest of drawers by, 251  
a happy one to a fellow-creature,  
313  
a little nearer every, 758  
a stocking all the, 253  
advantages that occur every, 228  
advent of each dangerous, 843  
afar goeth, 643  
after the faire, 13  
after, the very next, 668  
afterwards, 583  
again, would that it were, 982  
an endless, 603  
and day, barrier between, 301  
and many a dreadful night, 214  
and night, broadcast doings of  
the, 62  
and night face to the light, 780  
and night, more sure than, 317  
and night shall not cease, 1223  
and the light need thee so, 644  
and the way we met, 633  
another blue, 381  
as morning shows the, 156  
at close of, 1142  
at most life is but a, 284  
at the close of one sad, 705  
at the close of the, 209  
be the, never so long, 17  
before yesterday a glamor day,  
942  
behold this joyous, 339  
better, the better deed, 116  
beyond the night across the, 465  
bloody business of the, 220  
boils at last, 485  
break and shadows flee away,  
until the, 1236  
breaks not, 117  
breathing time of, 97  
bright, is done, 105  
brightest hath a cloud, 69  
brightness of the, 516  
brought back my night, 162  
brought too long a, 390  
business of the, 177  
by day, chronicle of, 33  
by day, I shall find how, 405  
can prostrate and upraise, 1080  
cares that infest the, 434  
carry the, 1149  
close the drama with the, 203  
close the eye of, 161  
commonplace, 682  
compare thee to a summer's, 107  
confident prime of the, 735  
darkest, will have passed away,  
267

Day dawns to which we are awake,  
515  
deficiencies of the present, 232  
dies like the dolphin, 354  
do more work in a, 345  
dog will have his, 97, 523  
dwellings were open as, 435  
dye before his, 255  
end of a perfect, 761  
entertains the harmless, 114  
equal, and equal night, 561  
erased the lesson done, the, 537  
ere the dawning of the, 738  
every dog his, 523  
every, is a fresh beginning, 682  
every, should be passed as if it  
were our last, 1104  
eyes the break of, 37  
fair frosty, 172  
fairer than the, 132  
falsely than the former, 178  
faster and more fast, 484  
fear nor wish for your last, 1110  
tell upon a, 120  
fills his blue urn, 409  
first, even and morn, 154  
five hours in a, 234  
follow as the night the, 91  
for ever and a, 51  
for toil an hour for sport, 410  
gaudy babbling and remorseful,  
69  
gently shuts the eye of, 273  
glad and happy, 619  
glory of an April, 33  
go through a hope to make the,  
757  
God's interminable, 504  
goes by like a shadow, 567  
gone down while it was yet, 1238  
good-bye sweet, 619  
grateful on any particular, 1021  
grayest, is done, 875  
great avenging, 218  
great important, 194  
gwine to run all, 508  
had his, 1002

heaven to gaudy, denies, 356  
her suffering ended with the, 473  
hoping for the perfect, 477  
how troublesome is, 348  
I dearly love but one, 189  
I hate the, 26  
I have had the, 580  
I have lived my, 168  
I saved his life, 187  
idle summer of an empty, 608  
in England, one, 777  
in every scene by, 393  
in its hotness, 547  
in June, what is so rare as a, 525  
in melting purple dying, 375  
in the country, one, 587  
in the light of fuller, 523  
in thy courts, a, 1231  
in which we have not laughed,  
1171  
infinite, excludes the night, 199  
is a perpetual morning, 514  
is all ahead, 815  
is always coming, but a, 763  
is at the morn, 485  
is bursting with moments, 1015  
is dim, only my, 761  
is done and darkness falls, 434  
is dying in the west, 656  
is gone and all its sweets, 385  
is in the west, 994

Day is like a year, each 722

 Deans, dowagers for, 466  
 Dear and true industrious friend,

 Dearest action in the tented field,

 Dearness gives everything its value,

   grim, 129  
   grim, my son and foe, 150  
   guilty of his own, 96  
   had left it almost fair, 681  
   had the majority, 145  
   happy people not afraid of, 790  
   has broach'd him, 274  
   has carved me, when, 943  
   has its own way, 1182  
   has left behind, all that, 888  
   has shaken out the sands, 375  
   has so many doors, 131  
   hath a thousand doors, 129  
   hath no more dominion over

   his Maker and the angel, 317  
   his name that sat on him was,  
     1249  
   how now, friend, 591  
   how wonderful is, 368  
   in battle, prize of, 527  
   in itself is nothing, 178  
   in life, 466

Death in life found, 319  
in that sleep of 93  
in the hour of, 561  
in the midst of life we are in 1254  
in the night of 602  
in the pot 1227  
in their they were not divided 520 1226  
in victory swallow up 1237  
interest in disease and 1206  
into the world brought 148  
intrenched 20  
is a beautiful adventure 534  
is a common friend or foe 511  
is a debt 278  
is a great dissembler 37  
is a secret of nature 1125  
is a sleep 631  
is a state of nothingness 1085  
is always near 1057  
is in eternal sleep 1175  
is it the bottom of the cup 609  
is beautiful is fact of friend 58  
is better sleep is good but 1181  
is but a dream 1060  
is but an opinion 873  
is but one moment in time 579  
is but the long cool night 1181  
is certain to all 65  
is in such strange contradiction to life 702  
is life perhaps 1057  
is life which need 5  
is a friend 605  
is matter feared that 678  
is merciful in ways 58  
is new when 1069  
is new life sold 493  
is no evil 591  
is no form 947  
is no punishment 164  
is not a metaphor 1036  
is not the worst 1050  
is only a heart 655  
is only in the door 902  
is in the heart 92  
is in the heart 1193  
is slumber 366  
is strong 1214  
is strong, stronger than 612  
is such water of life 305  
is the ugly fact 558  
is the veil 567  
is to the death so 655  
is self more to be dreaded than 1103  
is the 56 467 1147  
just kind umpire 68  
is of 842  
know the nature of his 1084  
laid low in 327  
laugh myself to 33  
lays his icy hand on kings 141  
lead him to 185  
let it not be 1192  
leth at the point of 1242  
life is ever lord of 444  
life is perfected by 478  
life struck sharp on 479  
like an old wise child in 1008  
like an unseen friend 818  
like this save us all from a 433  
looked it with steady eye 1158  
looks and discourse 1 of 182  
looks gigantically down 459  
love is strong as 1256  
love thee better after 429  
loves a mining shark 661  
loves a shining mark, 134 202 571

Death, lovely and soothing 536  
made his ladder to the skies 26  
makes equal the high and low, 11  
makes his arrest when 858  
man at the point of 1166  
may bring our friend near 587  
means, I know what 595  
men fear 109  
men of 172  
monarch ought to be put to 20  
more painful than animals 1200  
more terrible than 1080  
my name is 659  
name that sat on him was 639  
nature of his 1081  
never at loss for occasions 1218  
no certain life achieved by 58  
no God found stronger than 631  
no kind of 935  
no life except by 560  
none hath joy of his 631  
nor change there is no 368  
not life neither 1215  
nor sorrow for hope not 56  
not ill of to die 306  
not but love 48  
not for who is he 584  
nothing but our own but 59  
nothing can happen more beautiful than 531  
of a dear friend 43  
of cold clutch your 501  
of each day's life 86  
of the end sorrow for 1158  
of friends will inspire us 877  
of his saints 131  
of king's stories at the 60  
of one who is young 255  
of some of her 857  
of the flower after the 1064  
of the righteous die the 1225  
of young married 813  
old and weak and new to 766  
of men's prayers for 1082  
of nurse 693  
of the pulse rise 155  
one of the things nature wills 1176  
or birth not a life or 635  
or dreadful case 463  
outrage worse than 510  
patience of 36  
patience preceding 252  
patience what we fear of 36  
pause for 491  
poor 118  
poor we call 436  
provides innocent amusement 959  
punishment of 479  
quiet 875  
quick and easy 754  
reads the title clear 492  
reaper whose name is 433  
recreates an individual 1016  
religious way to think of 1205  
rendezvous with 959  
reports of my art exaggerated 616  
rides a camel 544  
rides on every breeze 342  
river of 765  
ruling pass on strong in 209  
called forth 870  
saved a soul from 504  
sea of 57  
see not but life 575  
seems but a covered way 443  
sends a radiogram 887  
sense of 1103

Death sense of is most in apprehension 36  
sentence of Versailles 1218  
serenity of 607  
set me free when gray 774  
shades of 150  
shadow of 1228  
shall be no more 118  
should meet and claim me, lest, 1073  
shun with anxious strife 326  
silence deep as 328  
silent hills of 371  
sleep and two twins 219  
sleep before 1119  
sleep is 1145  
sleep the brother of 1073  
slue not him 26  
smooth the bed of 213  
so not quiet us in a 157  
sole equality on earth is 506  
some of us a chorus ending, 488  
songs of 1042  
sorrow of 1229  
soul after 144  
speak me fair in 47  
stab 1240  
strive that should sing 58  
strikes down the innocent and young 425  
stroke of 1040  
studied in his 84  
sue to life in her 175  
swept from 773  
the toll of beauty 857  
the of 259 1073  
that cuts in marble 981  
that makes life live the 491  
that woops and stuns 989  
the great adventure 926  
the healer 1079  
the lot of life 692  
the subtle smoke 354  
the stern sculptor 595  
their living 749  
there is no 435 618  
there is no in one sense 877  
there is no such thing as 504  
there is not room for 516  
therefore there is no 984  
they that live with depart 575  
think not disdainfully of 1126  
there hast all seasons 370  
thou shalt not die 118  
thou art a cordial 664  
thou and doors that lead to 144  
till divorce or shall part them, 624  
time bring not 877  
to us though play to you, 167  
to we must stoop 19  
tired as are finished by, 359  
triumphant 155  
triumphing over 161

twitching my ear 1097  
ugly sights of, 71  
unavoidable and imminent, 754  
under the shadow of 613  
unnoticed at birth and, 1100  
us do part till, 1254  
vacancies by, 274  
vale of 371

Death, way to dusty, 88

went out to, 903  
westward from, 858  
what is, but an eternal sleep,  
1087  
what men call life, 1083  
what should it know of, 295  
when swans perceive approach-  
ing, 45  
where is thy sting, O, 1049, 1246  
which happened in his berth, 392  
whispers of heavenly, 537  
who puts an end to pain, 470  
why comes not, 371  
why fear, 534  
will come when it will, 82  
will overtake you, 1252

**Eyes, gazed with tearful**, 424  
 genius-flaming, 923  
 gifts that took all, 409

 of pure women, 470  
 of sentiment, pluck the, 451  
 of springtime, deep blue, 1181  
 of the succeeding generation, 675

 soul sitting in thine, 160  
 stare out, their sightless, 901

     119  
 sublime, O, 428  
 tarn-dark, 840  
 tear each other's, 108  
 than a nose, rather have, 795  
 that look on it, the many, 575  
 that never quail, dark brown,  
     760  
 that remember one sweet hour,  
     612  
 that roam, back to, 361  
 that say you never must, 751  
 that shone now dimmed, 336  
 that sicken at pretty words, 1201  
 that stare or lips that touch, 961  
 that would not look at me, 279

 the greenest of things blue, 612

**Eyes those silent tongues of love,**  
 1149  
 though not ours shall see, 1026  
 tired eyelids upon tir'd, 463  
 to see beauty, have, 902  
 to see, give us the, 757  
 to see the unseen in the seen, 789  
 to see them, for him who has the,  
     563  
 to the blind, I was, 1228  
 too pure and too honest, 593  
 took away my, 878  
 two gray, 982  
 ugly sights of death within mine,  
     71  
 undazzled, 163  
 unaltering, 736  
 untimely dead, 859  
 unused to the melting mood, 104  
 unveil thine, 1075  
 view ourselves with clearer, 134

 which thou dost glare with, 87  
 whose language is fidelity, 665

 wildly I ved, 321  
 will miss the tail that waggd,  
     736  
 windows of mine, 1147  
 wipe my weeping, 199  
 wipe our of drops, 49  
 wise in their own, 247  
 wistful dimness of old, 930  
 with dreamful, 557  
 with longing, I wait, 481  
 when we sought each other's,  
     382  
 which spake again, 352  
 you are so sharpe, 24  
**Eyes'** blue depths are lifted, 1181  
 Eyeball, like a coal his, 248  
 Eyebrow, ballad to his mistress', 49  
 Eyelids are a little weary, 645  
 close when my tired, 822  
 dropped love from whose, 1074  
 heavy and red, 391  
 kiss my when I lie cold, 626  
 of the morn, 159  
 pale and close, 429  
 slumber to mine, 1232  
 tear on his, ghastened, 664  
 tired upon tir'd eyes, 463  
 up, keep your, 1025  
 warm, keeps our, 906

Fabric, mystic, sprung, 342  
 of my faithful love, 981  
 of the world to be, 1064  
 of this vision, 33  
 rose silently as a dream, 266  
 Fabulous conviction, heaven of,  
 1018  
 youth, pope of, 936  
 Face a thousand dreadful deaths,  
 728  
 absent, that fixed you, 428  
 all steeped in smiles, 691  
 and limb, in form and feature,  
 630  
 and voice, the mother's, 683

 God grant you find one, 573  
 God has given you one, 93

 half known, like a, 736  
 he carries, who cares what, 662  
 her angels, 24

 hungering for her, 736  
 hungry and thin of, 965  
 I am gone before your, 596  
 I don't mind it, 876  
 I have not seen your, 697  
 I shall hold your, 600  
 in her, excuse came prologue, 155  
 in his morning, 251  
 in the sweat of thy, 1223  
 is as a book, your, 84  
 is like the milky way, 164  
 is writ with scars of woe, 570  
 it as a wise man would, 743  
 it, let him fearlessly, 592  
 laid her great, to his, 986  
 less deadly fair, 593  
 licked me in the, 938

Face like a benediction, 1149  
 like a blessing, 1149

 look his enemies in the, 181  
 look in my, 577  
 look on her, and you'll forget,  
 212  
 look upon my quiet, 680  
 looked on Lincoln's, 1048

 music breathing from her, 356  
 music of her, 168  
 my poor lean lank, 455  
 never ere did see that face, 26  
 no odious furrows in my, 280  
 no solemn sanctimonious, 392  
 nor miss my, dear friends, 403  
 nose in a man's, 33, 125  
 nose on a man's, 33  
 nose upon his, 263  
 not bad-looking, 1192  
 not looking you in the, 498  
 not night when I see your, 42  
 not seen the voice not heard, 587  
 ocean on whose awful, 440  
 of all the faces, one, 802

 dream, 727  
 of nature a study in old gold, 742  
 of the dead, dew on the, 569  
 of the live new dawn, 633  
 of the woman on the dollar, 887  
 off from your set, 998

 that launch'd a thousand ships, 31  
 that well might buy the soul,  
 665  
 that's anything but gay, 481

 Fallest a blessed martyr, 74  
 Fallible being will fail, 235  
 Falling at intervals upon the ear,

 for one who prospers, 1081  
 from hope and, set free, 632  
 gave them our love and our, 486  
 generality of men swayed by,  
 1090  
 God and keep his command-  
 ments, 1236  
 God, I learnt to, 407  
 Greeks bringing gifts, 1097  
 haggard face of, 1069  
 hate is a, 997  
 I cannot taint with, 87  
 I know no, 562  
 I to fall, 22  
 in a consumption of, 128  
 in love, there is no, 1249  
 in that, doubteth Thee, 559  
 in the night imagining some, 43

Fear is affront, 204  
 is as bad as falling, 105  
 is most accurs'd passion, 68  
 is rot that cankers, 997  
 is sharp-sighted, 1150  
 it will not be like me, I, 181  
 little dangers they may, 521  
 livid loneliness of, 1012  
 mask for, 1109  
 may force a man, 12  
 me, thy frown cannot, 240  
 mean actions ascribed to, 1194  
 merited my, 951  
 met without a, 628  
 my name, unto you that, 1240  
 natural, in children, 109  
 no darkly-brooding, 824  
 no fall, he that is down needs,  
 172  
 no foe to fear save, 816  
 no hope could have no, 610  
 no man, I, 932  
 no more the heat o' the sun, 106  
 no need of, 940  
 nor wish for your last day, 1110  
 not, be just and, 73  
 not clouds will always lour, 284  
 not guilt, those who, 262  
 not lest existence closing, 462  
 not sensible failure, 758  
 not the sight of it, 555  
 not thou child infirm, 409  
 not thy humble tale to tell, 544  
 not to touch the best, 21  
 nothing so much to be feared as,  
 915  
 o' hell's a hangman's whip, 285  
 of change, 149  
 of death, 1103  
 of death has bygone us, 651  
 of God, in the, 373  
 of laws, others do from, 1130  
 of little men, for, 573  
 of some divine powers, 126  
 of suffering injustice, 1159  
 of the lack of shelter, 945  
 of their children's lacking, 945  
 only thing we have to, 915  
 or hope, little to, 232  
 perfect love casteth out, 1249  
 perfect love casts out prudery  
 and, 617  
 quite unaccustomed to, 1062  
 relief from the terrible, 1070  
 remember that small, 839  
 scheme of life to banish, 945  
 shame coward, 447  
 shepherd, 965  
 sick with, 1029  
 so hate casts out, 470  
 some with gladness few with,  
 576  
 stood up for, 1081  
 strange and speechless, 699  
 strange that men should, 82  
 than pity, more out of, 1014  
 that reigns with the tyrant, 435  
 the force of the wind, 753  
 the worst, 75  
 there's a terrible lot o' me, 838  
 they call courage, 831  
 thou not what hap, 1173  
 though wet nor blow nor space I,  
 1023  
 thy nature, I, 84  
 to be we know not what, 178  
 to chill their blood, 226  
 to die, cowards, 22  
 to go in the dark, children, 109  
 to him who is in, 1082  
 to join our friends, 883

Fear to live alone, faint and, 363  
 to live or die, 409  
 to lose, 138  
 to love thee sweet, I, 748  
 to show himself too free, 1014  
 to speak for the fallen, 524  
 to the wind, throw, 1087  
 to tread, where angels, 212  
 to work up from lowest ranks,  
 519  
 true nobility exempt from, 69  
 untroubled by hunger or, 1009  
 waking, thou shalt, 632  
 we must get rid of, 380  
 weather without, little we, 481  
 without a single, 1049  
 without reproach or, 442  
 Fears and disquietudes, in the  
 midst of, 1100  
 and distastes, not without, 109  
 and ills, rife with, 820  
 and interest, same, 237  
 depress, when, 682  
 do make us traitors, 87  
 faith triumphant o'er our, 435  
 gamut of human, 840  
 his fate too much, 164  
 hopes belied our, 390  
 humanity with all its, 435  
 humble cares and delicate, 297  
 I cannot quite repress, 682  
 of all the year's, hopes and, 612  
 of the world, 836  
 of ugly age, 888  
 of what might pass, the foolish,  
 1067  
 our faiths and our, 663  
 pangs and, 73  
 playthings of fate in our, 930  
 red for, 664  
 saucy doubts and, 87  
 shall cease, all thy, 1178  
 that I may cease to be, 384  
 to be disgraced, maid who, 226  
 to beat away, no, 303  
 Feared God and eschewed evil  
 1227  
 it is just as I, 499  
 the light, as if they, 163  
 to run away, because he, 771  
 twenty times was Peter, 296  
 Fearful fire, saved them from the,  
 605  
 goodness never, 37  
 innocence, our peace our, 298  
 joy, snatch a, 243  
 of the night, 661

 unbelief, the, 380  
 Fearfully and wonderfully made,  
 1232  
 Fearing, doubting dreaming  
 dreams, 460  
 to attempt, 35  
 to be spilt, spills itself in, 96  
 Fearless, an army's flower, 737  
 blue eyes glancing, with her, 562  
 eyes, look with, 760

 Fearlessly face it, let him, 592

I ask not for your pity, 562  
I have had both old and young,  
610  
I loved are gone, 797  
I make, warm with the, 982  
in early time refused, 247  
kindred comrades lovers, 557  
laugh at your, 214  
laughter and love of, 822  
lay down his life for his, 1244  
little, may prove great friends  
1076  
live without, 592  
long dead, faces of his, 766

love of dearest, grow small, 561  
loved his, 649

man that hath, 1233  
man who had many, 774  
many, I've met, 388  
more dangerous than enemies,  
1047  
more tender of our, 107

Friends, most constant of all, 597  
 nature teaches beasts to know, 76  
 nearest, are the auldest, 703  
 nearest, can go with anyone, 867  
 never-failing, 321  
 new, 796  
 no greater, to Englishmen, 29  
 no talent for making new, 608  
 of a few fortunate readers, 1049  
 of humblest, scorn not one, 304  
 of Mr. Addison Sims, 1026  
 of my youth a last adieu, 544  
 of my youth, where are they, 356  
 of old all brave, my, 470  
 of our childhood, 446  
 of the unlucky, 1082  
 old, are best, 130, 650  
 old, are most too home-like, 729  
 old, old times, 253  
 old, to trust, 113  
 people people have for, 754  
 poor make no new, 432  
 power in the hands of, 636  
 princes find few real, 239  
 proclaim his truth, 173  
 prosperity makes, 1105  
 quite such pleasant, 822  
 relatives we make for ourselves, 1171  
 riches to make gifts to, 1082  
 Romans country men, 83  
 rough on his, 639  
 second for my, 196  
 seeing home and, once more, 541  
 separateth very, 1233  
 shame you before your, 1027  
 show me his, 579  
 sit closer, 664  
 some honest friends, I have some, 874  
 soul remembering my good, 59  
 spare to us our, 705  
 staunch are we, 619  
 summer, 135  
 thanks to my, 199  
 that I knew in my Maying, 718  
 that to me were so dear, 388  
 the more we love our, 1161  
 thou hast, those, 90  
 three firm, more sure than day 317  
 three good 50  
 thrice blessed are our, 877  
 thus do I treat my, 1027  
 to borrow my books, 818  
 to conerulate friends made haste, 174  
 to fill, kind hearts still for, 703  
 to our, we were kind, 390  
 together, we have been, 446  
 troops of, 88  
 true, appear less moved, 180  
 two bodies with one soul, 219  
 we love so dear, 608  
 we need new, 790  
 we were, 664  
 wealth maketh many, 1233  
 were poor but honest, 53  
 were pretty few, 665  
 who come and gape and go, 547  
 who plough the sea, 623  
 who went life's way together, 928  
 whom the softest whistle, 671  
 will be so clever, hopes her, 1064  
 wise are never without, 1062  
 without half trying, makes, 839  
 women find few real, 239  
 wooed by flattering, 335

Friends would look upon my face, 680  
 you and I were long, 227  
 Friend's illness, hear of a, 520  
 infirmities, bear his, 83  
 wife, expect from a, 325  
 Friends' departing feet, 528  
 Friendled, lie, 1036  
 Friendless name, friend of every, 231  
 Friendliest to sleep and silence, 153  
 Friendliness, common, 669  
 of the British Empire, 838  
 Friendly and comforting breast, to the, 693  
 bowl, mingles with my, 213  
 counsel cuts off foes, 68  
 door, came to your, 708  
 faces of old sorrows, 880  
 hands to Jesus led, by, 373  
 honest man, 284  
 moon, fair and, 372  
 must show himself, 1233  
 soothing of my fears, 888  
 stroke, feel the, 187  
 waters, now over, 865  
 Friendship, absence sweeteneth, 388  
 an unstable anchorage, 1080  
 and conversation of select companions, 195  
 and marriage, love, 330  
 and social amity, 646  
 came but for, 336  
 cold and I was sick, 1029  
 definition of, 1159  
 demands your, 324  
 develop into a real, 724  
 die by negligence, 237  
 distance sometimes endears, 388  
 elegance of female, 232  
 even that perfect, 1027  
 faded, 843  
 gift of, 695  
 greatest ornament of, 1096  
 hard-ried and faithful, 350  
 heart of, colder, 405  
 honest, with all nations, 273  
 in constant repair, 233  
 is a little truer, 839  
 is a sheltering tree, 317  
 is constant, 38  
 is disinterested commerce, 253  
 is formed, moment when, 272  
 is love without his wings, 361  
 is the breathing rose, 453  
 last long as our love, 612  
 laughter best ending for, 723  
 like the holly-tree, 516  
 lived on terms of, 1096  
 love and liberty, joys of, 317  
 love like, steady, 336  
 messenger of, 608  
 needs a certain parallelism, 636  
 needs emotion to become love, 617  
 no greater bane to, 1096  
 of the many, 611  
 of two men, the perfect, 725  
 offices of, which they owe me, 1143  
 paltry, and gossamer fidelity, 461  
 sacrifices of, 875  
 sounds too cold, 337  
 sub-tistin' 'tween him an' a pup, 609  
 sudden, from wine, 206  
 swear eternal, 292, 313, 1162  
 that like love is warm, 336  
 through thy, fair, 411  
 true, needs no ceremony, 80

Friendship, two chairs for, 515  
 waned, silence where good, 799  
 when love is in his heart, 716  
 wine and, crown the board, 1040  
 wing of, never moults a feather, 494  
 with me, glad to be at, 183  
 with me, make, 1111  
 Friendships allow no excuses, 1078  
 are invalidated by marriage, 614  
 break and bend, if my, 988  
 broken, 879  
 each year to ancient, 527  
 great, from bad beginning, 1094  
 trust we can repose in, 1080  
 Friendship's laws, true, 220  
 name, speak in, 336  
 port, 1080  
 Frieth in her own grease, 7, 15  
 Frigate, no, like a book, 585  
 Fright, perfect, 358

wise man has no need of, 1115  
Glory's bloody face, 690

Glow changeless through joy, 416  
dark and still we only, 338  
flushes up a rosy, 1003  
glory in thunder, 672  
hues of bliss, 245  
lights of heaven shall, 401  
like the sparks of fire, 134  
merry comrades make me, 938  
of a friendly heart, 670  
of brotherhood, 381  
of summer evenings, 914  
on the cheek of the noble, 479  
radiant waters, 730  
sunbeam's golden, 562

young star-captains, 927  
Glow in every heart, love of praise,  
202  
in the deep thicket's gloom, 1173  
new creation, 364  
Glowed the firmament with living  
sapphires, 152  
Glowing embers through the room,

Glow-worms, glories like, 127  
Glozed the tempter, so, 154  
Glue of love, 133  
Glum nor merry, comrade neither,

Gluts twice ten thousand caverns,

Glutton market, a, 217  
Glutton, idler and fool marked by  
carelessness, 860  
Gluttony drunkenness hunger and  
thirst, 1160  
Glynn, marshes of, 663  
Gnat, strain at a, 1241

Gnats in our chambers, 166  
Gnaws my hat in his whim, 892  
Gnawed a little hole, 711  
Gnawing of a mouse, like the, 982  
Go a little slow, to, 853  
about, I, 1005  
again, never to, 601  
ahead, be sure you're right then,  
349, 686  
a-hunting, daren't, 573  
also to the nerve-wracked, 933  
and catch a falling star, 117  
and do thou likewise, 1243  
and find it, 777  
and hear Grimaldi, 1192  
and sin no more, 1244  
astray and they fall, they, 483  
at once, 87  
at set of day, where men, 766  
away, but I must, 863  
away, presently they, 877  
back, I want to, 874  
back, not to, 214  
back to the great sweet mother,  
631  
Back with policeman Day, 784  
beyond the mark, 1159  
boldly forth, my simple lay,  
275  
bow thy head in gentle spite, 555  
by containties, dhramas, 389  
by myself, I like to, 329  
calm to our rest, never, 1026  
commonly together, they, 123  
down into eternity, 881  
down into the pit, man will, 687  
down, this story will not, 229  
down to the sea, they that, 1231  
down to the seas again, 856  
down with me, if you don't, 915  
first, one may, 576  
for some future Butler, 615  
forget me, 365  
forth and conquer a crown, 676  
forth and slay the Philistine, 976  
forth my book, 944  
forth my dove, 925  
forth to seek, 859  
forth to war in separate parties,  
1252  
forth under the open sky, 371  
forth where danger lies, 824  
forth with crowds, 976  
forward and give us victories,  
466  
forward together, all, 1037  
from door to door, 123  
from me, 429  
from strength to strength, they,  
1231  
hence ere I, 775  
his halves, I'll, 1140  
home in the dark, don't want to,  
808  
I hate to, 765  
I will not let thee, 440, 1224  
in peace, erring sisters, 349  
in, they that are without would  
fain, 115  
into an attorney's office door,  
505  
into it baldheaded, 526  
it alone, victor is he who can,  
510  
just alike, none, 210  
knows exactly when to, 811  
lifel book, 4  
little book and wish to all, 702  
lovely rose, 146, 791, 904  
mad, break out and, 882  
mark him well, 307

Go, men may come and men may,  
 465  
 much on religion, I don't, 619  
 must needs, whom devil drives,  
 1152  
 my songs, 933  
 no more a-roving, 357  
 no more a-roving, we'll, 693  
 not empty unto thy mother in  
 law, 1226  
 not for every grief, 137  
 o'er, and then, 626  
 on forever, but I, 465  
 on trusting, 490  
 on with your work, better, 882  
 once, you may, 925  
 otherwise, when I, 928  
 out and see her riches, 162  
 out into the darkness, 869  
 out so fast, 1021  
 out, they'd immediately, 281  
 out, would fain, 115  
 over us all, let them, 979  
 poor devil get thee gone, 241  
 poorly clad, 620  
 save my friend, may you, 881  
 search the world and search the  
 sea, 674  
 shall I bid her, 256  
 smiling into the great beyond,  
 960  
 smooth and even, 594  
 softly all my years, I shall, 1238  
 somewhere, I want to, 1020  
 the primrose way, 86  
 the way whence I shall not re-  
 turn, 1228  
 then and plant a tree, 712  
 there, don't you ever try to, 990  
 think of it in silence and alone,  
 424  
 thou and do likewise, 166  
 thou with this man, 845  
 through this world, you may, 474  
 to bed by day, I have to, 702  
 to bed hungry, had to, 811  
 to bed, my work is done, 345  
 to bed to-night, will not, 610  
 to bed with the lamb, 23  
 to books and to nature, I, 627  
 to grass, 131  
 to him, I shall, 1226  
 to Jericho, 334  
 to meeting the next Sunday, 653  
 to pot, you may all, 254  
 to rest, when I, 888  
 to sea, never, 623  
 to sleep in the dark, 323  
 to the ant thou sluggard, 1232

 is wide, no wider than the, 980  
 is young, when, 926  
 it is my, 117  
 Judas's, 650  
 keep thy, with all diligence, 1232  
 keep, when all have lost it, 483  
 kep' goin' pity-pat, 527  
 kind and gentle, 254  
 knew of pain, all the, 455

Heart, know it all by, 1150  
 know the truth by the, 1162  
 knoweth his own bitterness, 1233  
 land of the, 405  
 language of the, 213  
 languor is not in your, 547  
 larger was his, 174  
 less bounding to emotion, 547  
 let in either to the other's, 730  
 let me wring your, 95  
 level in her husband's, 54  
 lightest, makes heaviest mourn-  
 ing, 447  
 like a shadow o'er the, 567  
 like its glow, eye like its crystals,  
 560  
 lintel of the human, 870  
 little watchman in my, 819  
 live without, 592  
 look in my, and tremble, 942  
 look in thy, and write, 27  
 look into any man's, 1191  
 look into thine, and write, 433  
 looked into his father's, 1017  
 Lord Christ's, 410  
 love-sick, 980  
 love that is in my, 1180  
 makes the, afraid, 390  
 man after his own, 1226  
 may bear, how much the, 596  
 may give a useful lesson, 266  
 may go where it will, 1101  
 may heal or break, 474  
 meditation of my, 1229  
 melt into his, 296  
 merry, goes all the day, 56  
 merry, maketh a cheerful counte-  
 nance 1233, 1251  
 mighty, is lying still, 297  
 mother's, 864  
 mottoes of the, 327  
 moved more than with a trumpet,  
 27  
 music in my, I bore, 298  
 must pass me by, how many a,  
 681  
 must speak when lips are dumb,  
 658  
 my, alone records, 774  
 my book and, 1057  
 my crown is in my, 70  
 my fond, shall pant for you, 225  
 my, is true as steel, 42  
 my poor human, 514  
 my true-love hath my, 27  
 naked human, 202  
 nature's, 458  
 ne'er within him burned, 307  
 nerves a nation's, 471  
 never find thy, at home, 135  
 never to lose, 1202  
 new fountains in the human, 393  
 new opened, I feel my, 73  
 night vigil at my, 947  
 no longer tear his, 193  
 nor for a constant, 1061  
 not able to report, 43  
 not even the tenderest, 365  
 not more from the head than  
 from the, 376  
 not thy woman's, that spoke, 560  
 notation of the, 1006  
 now cracks a noble, 98  
 O stricken, 703  
 of a child, my name in the, 893  
 of a child, soft is the, 828  
 of a dog, 855  
 of a king, boy with the, 1226  
 of a maiden is stolen, 335  
 of a man changeth his counte-  
 nance, 1251

Heart of a man depressed with  
 cares, 205  
 of a man, get the good from the,  
 639  
 of a man is like that delicate  
 weed, 592  
 of a man to the heart of a maid,  
 778  
 of a soldier, stout, 1199  
 of a true Englishman, 197  
 of another, enrich not the, 435  
 of courtesy, 27  
 of friendship colder, 405  
 of gold, God made a, 874  
 of gold, hides its, 686  
 of head or, 1062  
 of heart, in my, 94  
 of her sons, strong, 475  
 of her who bore him, 864  
 of his mistress, half of the, 904  
 of lead, 215  
 of little faith, 691  
 of living, burn at the, 1004  
 of man, depth of the, 1250  
 of man is place Devil dwells 144  
 of man, maketh glad the, 1231  
 of mine, this dark, 432  
 of my heart were it more, 633  
 of my mystery, pluck out the, 94  
 of nations, touches the, 419  
 of rest, to the, 989  
 of Shelley, 750  
 of the beholder, the, 1014  
 of the buried acorn, 753  
 of the fathers, turn the, 1240  
 of the king, to the, 713  
 of the minstrel is breaking, 335  
 of the mountains, far-hidden, 572  
 of the people's Workingmen, 458  
 of things, all the rapturous, 735  
 of woman he loves, 1203  
 on my, monastic ailes, 408  
 once keen for lawsuits, 1099  
 one, another heart divines, 437  
 one, one soul, 550  
 one only hope my, can cheer, 392  
 one who thrills your, 679  
 open my, and you will see, 486  
 or hope, nor bate a jot of, 162  
 out of the, a rapture, 681  
 out of the bosom, 742  
 outcry of the, 386  
 overcharged, 321  
 owing to his cordial, 586  
 pent-up love of my, 685  
 plan my ways and rule my, 403  
 poet's, 935  
 preaching down a daughter's, 464  
 priceless rending of the, 1204  
 probe my, 760  
 raise the dead, 905  
 razors to my wounded, 76  
 refreshing, one the, 735  
 remembers, playing all my, 690  
 rend your, 760  
 replete with thankfulness, 68  
 replies, and the, 266  
 resides, fire that in the, 546  
 responds unto his own, 434  
 rest thou troubled, 396  
 retain at, one sole idea, 1079  
 retirement of the, 330  
 reveal in many ways, 317  
 riven with vain endeavour, 298  
 rooted in the human, 278  
 rose in the depths of my, 793  
 ruddy drops that visit my sad  
 82  
 ruddy drops that warm my, 24  
 run over, makes the, 272  
 sad, tires in a mile-a, 56

Heart, see true his, 270  
 safe and smooth of, 991, 1217  
 says in his, there is no God, 1170  
 seal upon thine, 1236  
 search thine own, 442  
 seeth with the, 317  
 sentient, 869  
 set my poor, free, 127  
 severed from the, 223  
 shaft that quivered in his, 351  
 Shakespeare unlocked his, 304,  
 492  
 shall be thy garden, my, 701  
 shall cease to palpitate, 438  
 shall keep the child, my, 956  
 shape your, 844  
 shaped in my, 894  
 shatter my, 794  
 she is the darling of my, 189  
 shot full of pain, 886  
 shy as a wren, 709  
 sick, hope deferred maketh the,  
 1233  
 sight of death makes, hard, 50  
 silence in the, 993  
 singeth low in every, 648  
 singleness of, 1253  
 sink into the, 218  
 sleep sweetly tender, 463  
 so stopped when it beat high, 513  
 some, did break, 468  
 some far corner of thy, 582  
 soothes one humble, 798  
 sorrow that purifies the, 1189  
 speak to my, through gardens,  
 955  
 speaks to a precious friend, 716  
 spring of love gushed from my,  
 315  
 stay, stay at home my, 439  
 steals o'er the, 337  
 stop one, from breaking, 583  
 stoutest, may quail, 564  
 strike mine eyes but not my, 119  
 strong and diverse, 1007  
 such a kind, 34  
 sullen, 703  
 summer to your, 981  
 sweeping up the, 584  
 sweet creation of some, 354  
 swelling of the, 1063  
 swells my, 441  
 take comfort, 1019  
 take thy beak from out my, 460  
 tender, 814  
 thanked God, my, 882  
 that forgets us, 1161  
 that gives it love, 852  
 that has truly loved, 335  
 that is soonest awake, 314  
 that knew him well, 864  
 that laughs at care, 363  
 that loved her, betray the, 296  
 that not yet made answer, 587  
 that sighed for such a one, 30  
 that thou gavest, take back the,  
 583  
 that understands, comrade, 875  
 that was humble, 333  
 that withers, it is the, 943  
 that's broken, healed the, 474  
 that's broken, wound a, 309  
 that's so hard, 256  
 the fountain of sweet tears, 297  
 thing that numbs the, 945  
 throbbing, 343  
 through that velvet and lace, 594  
 thy breast encloseth my poor,  
 71  
 thy, was always true to me, 560  
 tied a young man's, within, 600

Heart, tiger's, wrapp'd in woman's  
hide, 69  
to a dog to tear, 784  
to break for it, no, 947  
to conceive, 270, 1060  
to fight and lose, 934  
to heart and mind to mind, 307  
to heart, up there 'tis, 560  
to heart, we two, 668  
to hold, with grace to win with,  
409  
to my heart comes homing, 718  
to resolve, had a, 270  
to rest, sing the, 994  
to thy heart, my, 668  
toil on sad, courageously, 509  
too little for our, 503  
touch my, as the Easterners do,  
1064  
treads on heart, 428  
trying with all thy, 548  
twa bairns and but ae, 389  
two chambers has the, 1185  
understanding is the dupe of  
the, 1159  
unlocks his, unto his mistress,  
134  
unpack my, with words, 93  
untainted, what stronger breast-  
plate than, 69  
until it reached a gentle, 499  
untouched by alcohol and, 970  
untravell'd fondly turns to thee,  
249  
upon my sleeve, wear my, 100  
upon the goal, set his, 735  
utmost passion of her, 422  
voice of my, 396  
waes o' my, 277  
want of, 390  
war was in his, 1230  
Ward has no, 289  
warm within, 266  
was a-weeping, 864  
was as that of a little child, 483  
was breaking, breaking, his, 738  
was kind and soft, 274  
was wax to receive, 357  
watched above the blighted, 544  
we magnify, the high, 911  
weed's plain, 524  
weighs upon the, 88  
were just frank kindly, if every,  
1161  
what dungeon so dark as one's,  
422  
what female, can gold despise,  
243  
what is in his neighbour's, 1124  
when we meet a mutual, 225  
which others bleed for, 193  
whispers the o'er-fraught, 88  
who never bowed his, 1215  
whose softness harmonized, 356  
widowed woman's, 677  
wild, and thinking hand, 980  
wine the mirror of the, 1079  
wisdom to believe the, 770  
with laughter, filled my, 668  
with my whole, 1239  
within and God o'erhead, 433  
within blood-tinctured, 428  
within its central, 535  
within me faints, 840  
within thy, wilt thou hear, 1200  
within your breast, 1008  
would ache to know, 795  
would hear her and beat, 469  
you gave me the key to your,  
676  
Hearts a little wiser, human, 379

Hearts affections hopes and fears,  
our, 544  
alike, he fashioneth their, 1229  
aloe-like flower once, some, 507  
and heads of nature's minions,  
819  
are breaking in Vanity Fair, 690  
are dry as summer dust, 302  
are great, our, 470  
are hard and inflexible, 166  
are kind and true, 543  
are light, somewhere, 770  
are sair, mony, 1063  
are yearning, while your, 841  
as light, fill to-night with, 431  
at rest, its home in, 690  
at their, the fire's center, 1031  
beat high and warm, 303  
believe the truths I tell, 247  
broken, and desolated years, 593  
cheerful, now broken, 336  
cherish those, that hate thee, 73  
cherished by all our, 481  
cherished in all our, 472  
cold, beat hot, 652  
complaisance in their, 1152  
contemptuous of death, 820  
day star arise in your, 1249  
divide, two loving, 675  
don't change much, 1065  
ease our, of all their woes, 629  
endure, all that human, 231  
ennobled our, 103  
ensanguined, 206  
finite, that yearn, 486  
hands not, 103  
hate the union drear, their cold,  
685  
hold, speak what their, 813  
home-keeping, 439  
hopeful, will find forever, 638  
in love use their own tongues, 38  
in youth, stirred our, 665  
kind, are more than coronets,  
462  
lie withered, when true, 335  
light, and free, 403  
like apples are hard, 522  
like doors will ope with ease, 746  
men with splendid, 944  
mystery in human, 1067  
no union here of, 306  
O valiant, 833  
of free-born men, 994  
of gallant men, 746  
of his countrymen, first in the,  
281  
of kings, enthroned in the, 46  
of kith and kin, 874  
of little children, lips and, 482  
of men, founded on the, 844  
of men, to warm the, 940  
of men, upon the, 1174  
of metal, O, 760  
of oak are our ships, 242  
of oak, like, 1141  
of the citizens, incline the, 268  
of the English kind, 858  
of the most reckless, chords in  
the, 461  
of the owners, open as the, 435  
once so happy and so free, 567  
our hopes are all with thee, 435  
pour a thousand melodies, 280  
raise proud, 915  
resolved on victory or death,  
1175  
sayings dearest to our, 600  
shall breathe the old refrain, 443  
shutting away of loving, 982  
sing to find your, 927

Hearts, steal away your, 83  
still for friends to fill, 703  
strong minds great, time de-  
mands, 522  
take to our, a lesson, 569  
talk out their, 839  
that are great are always lone,  
609  
that break and give no sign, 452  
that kindle thoughts that glow,  
554  
that love, dissension between,  
338  
that love will know, 690  
that met without a fear, 628  
that once beat high for praise,  
334  
that room, not their, 778  
that the world had tried, 338  
that trust in me, little, 826  
that weep, ye waiting, 563  
there are loyal, 671  
they leave behind, live in, 948  
though stout and brave, 413  
thousand, beat happily, 352  
to apprehend Thee, 780  
to higher levels rise, 436  
too full for utterance, 475  
truest, that ever bled, 386  
two, into one, 1147  
two, that beat as one, 219, 1185  
union of, 405  
unto wisdom, apply our, 1231  
we leave behind, 328  
were drunk with a beauty, 809  
were high and fortunes low, 903  
were not so clever, it young, 743  
Hearts's complaint, young man's,  
535  
core, hewed from his, 680  
core, wear him in my, 94  
country, mine, 802  
dead are never buried, 971  
desire, deceived in your true, 565  
desire, land of, 702  
desire, nearer to the, 471  
desires be with you, 48  
desolation, o'er my, 507  
divine perjuries, lack the, 568  
friend, no dearer word for, 694  
good, worth gold, 64  
health is to be sick with love,  
980  
inner chamber, in the, 446  
ormastering agony, 192  
span, world be my, 837  
supreme ambition, 239  
Heartache, end the, 93  
talls asleep with, 867  
Heartaches within it, lock all your,  
879  
Heart-beat, to drum-beat and, 571  
Heart-blood of a queen, 424  
Heartbreak, great deal of, 35  
helper of, 925  
Heart-breaking beauty will remain,  
947  
wordless splendid things, 947  
Heart-broken husband, 830  
Heartfelt compliment, 318  
Hearth, a clean fire a clean, 323  
acold, 757  
and stool and all, 906  
and wayside lurking, by, 453  
bless the, 828  
blessing on the, 491  
clean-winged, 443  
cricket on the, 160  
domestic, 1103  
fire on the careless, 986  
firelogs throwing on, 1008

- Hearth, his, the earth, 410  
 no fire upon the, 841  
 our old familiar, 364  
 to light his, 373  
 two heads beside the, 466  
 vanished from his lonely, 305
- Hearths and altars fires are dead,  
 on, 507
- Hearth-fire, at his, keep me warm,  
 837  
 smoke against the sky, 972
- Hearthrug's most outstanding feature,  
 845
- Hearthstone, cat on your, 829  
 of hell your best bed, 832  
 on any man's, 776
- Hearthstones, speak no evil around  
 these, 691
- Heartier prayer, the heavier cross,  
 1167
- Heartily and wholly laughed, 379  
 know when half-gods go, 409
- Heart-leaves of lilac, 856
- Heartless, godless hell's delight,  
 749  
 owners' hands, 618
- Heart's-blood, country's own, 817
- Heart-shaped leaves, 856
- Heartsome with thee, 205
- Heart-stain, ne'er carried a, away,  
 334
- Heart-strings are a lute, 460  
 jesses were my dear, 102  
 magnetic, tremor of, 633  
 out, rip your very, 777  
 quivering, 553
- Heart-talkers, only true, 551
- Heart-throb, hand-clasp and a, 746
- Heart-throbs, count time by, 506
- Heart-whole, warrant him, 51
- Heart-wounded by a subtle spell,  
 941
- Hearty faith and honest cheer, 574  
 old man, 320
- Heat, bear the burden and the, 546  
 examine the laws of, 641  
 fantastic summer's, 59  
 heraldic in the, 1024  
 life's brave, 604  
 ma'am was so dreadful, 313  
 much of, in little storage, 958  
 nor gloom of night, nor, 1084  
 nor light, have neither, 127  
 not a furnace for your foe, 72  
 not without dust and, 163  
 o' the day, clean of the, 918  
 o' the sun, fear no more the, 106  
 of blood, in, 908  
 of conflict, through the, 300  
 of its defenders, truth suffers by,  
 184  
 of noon, in Rangoon the, 1012  
 of the day, burden and, 1241  
 of the wheel, white, 1008  
 one, doth drive out another, 28  
 one draft above, 54  
 pain's furnace, 1186  
 Prometheus, 103  
 sits Amalfi in the, 438  
 some human, 884  
 surprised was I with sudden, 30  
 that can thy light relume, 103  
 that flamed upon the kiss, 959  
 thereof, nothing hid from the,  
 1220  
 was in the very sod, 1044  
 waves come to scorch, when, 948
- Heats of hate and lust, 742
- Heated hot in a moment, 436
- Heat-full fire, bright-flaming, 1147
- Heath, along the, 245
- Heath, brown, and shaggy wood,  
 307  
 my foot is on my native, 310  
 sword hung on the barren, 1042  
 there's a wind on the, 407
- Heathen Chinese is peculiar, 644
- hate, twin of, 471  
 thousands of miles afar, 475
- Heathens in foxholes, no, 1023
- Heathenish and unchristian, 400
- Heather, a tumble on, 309  
 looks, how the, 584
- Heath-flower, from the, dashed the  
 dew, 308
- Heating, warm without, 204
- Heat-oppressed brain, 85
- Heave and the halt and the hurl,  
 the, 777  
 of the surging world, 735  
 of water, like one great, 498
- Heaves and spreads, her bosom,  
 303  
 his ponderous sack, 229  
 oily gradual, 858
- Heaven, a Persian's, is easily  
 made, 334  
 a recompense did send, 245  
 a time ordains for other things,  
 162  
 above and road below me, 703  
 achromatic white light of, 432  
 again for goal, with, 634  
 all, around us, 336  
 all places shall be hell that are  
 not, 31  
 all the bells of, 634  
 all the birds of, 634  
 all the way to, 165  
 all to, 275  
 almost starved for, 642  
 alone that is given away, 'tis,  
 525  
 and Charing Cross, betwixt, 749  
 and earth, differ as, 470  
 and earth do her homage, 22  
 and earth, many things betwixt,  
 1195  
 and earth, more things in, 92  
 and earth, relates to, 306  
 and earth shall pass away, 1242  
 and earth suspended, 'twixt, 705  
 and earth unfolds, 42

 fountains of my hidden, 411  
 from death to, 31  
 from first to last, 840  
 from here to there, this little, 983  
 from, to rest in the grave, 362  
 gallant fisher's, 140  
 gave thee, and bid thee feed, 281  
 gets harder toward summit, 1197  
 give me fulness of, 689  
 give thanks for, 631  
 gives, again, 945  
 glare of, 430  
 God who gave us, 273  
 goes on forever, 982  
 good man prolongs his, 217, 1110  
 good things of, 324  
 great business of, 641  
 great end of, is action, 564  
 great range of, 817  
 great things of, are swiftly done, 857  
 greatest love of, appears, 272  
 grew cold, saw her as, 631  
 grown wiser will depart, 1200  
 growth is the only evidence of, 403  
 grunt and sweat under a weary, 93  
 had a second edition, if, 369  
 half-pay for, 360  
 happiest, consists in ignorance, 1080  
 happiness of, 318  
 happiness of men consists in, 1192  
 hard stiff lines of, 444  
 harmonious echo from our discordant, 564  
 has a value, 1177  
 has departed, body from which, 614  
 has enough of love, when my, 863  
 has passed but roughly, 267

Life has spared those mortals much, 985  
 has taken us round the obstacle, 1204  
 hath man no second, 547  
 hedges of, 1046  
 home, that depends on borrowing, 1191  
 honour is dearer than, 1152  
 how good is man's, 486  
 how pleasant in thy morning, 285  
 how short this, how long withal, 544  
 human, consists in mutual service, 754  
 human, is like a froward child, 172  
 I have, keep the little, 559  
 I lead, 964  
 I long to meet, another, 548  
 idea of her, 40  
 in balance with this, 794  
 in death, may here find, 319  
 in, did harbour give, 119  
 in every limb, feels its, 295  
 in her, no further, 844  
 in length a span, 133  
 in my garden of, 714  
 in practical as in theoretic, 661  
 in the cup of, 730  
 in the grain of wheat, 753  
 in the interior, 533  
 in the midst of, 1254  
 in the old dame yet, 885  
 in this fevered, 517  
 in tragic, no villain need be, 574  
 in vain, labored all my, 1188  
 Indian summer of, 637  
 ineliable perfect, 629  
 intense, concentr'd in a, 353  
 interesting, make your, 495  
 into each, some rain, 434  
 inviolable condition of, 1205  
 is a battle, 1125  
 is a blunder and a shame, 692  
 is a bubble, 133  
 is a copycat, 952  
 is a dance, 692  
 is a disease, 721  
 is a dream in the night, 791  
 is a flower, if, 406  
 is a foreign language, 973  
 is a good thing, 935  
 is a highway, 939  
 is a jest, 206, 577  
 is a ladder infinite-stepped, 544  
 is a lie, if, 774  
 is a loom, 891  
 is a mystery deep as death, 635  
 is a narrow vale, 602  
 is a pleasant institution, 624  
 is a progress from want to want, 236  
 is a pudding full of plums, 624  
 is a short summer, 231  
 is a shuttle, 35  
 is a struggle but not a warfare, 627  
 is a torn book, my, 594  
 is a very funny proposition, 880  
 is a watch or a vision, 634  
 is a wave, 542  
 is adventure in experience, 1012  
 is all a cheat, 178  
 is all their cry, 993  
 is already a treason, 379  
 is an empty dream, 577  
 is as water, 1058  
 is at an end, 256  
 is brief, art is long, 3

Life is brief, have little care that,  
 757  
 is brief, since, 718  
 is but a day, 384  
 is but a day at most, 284  
 is but a game of football, 309  
 is but a little holding, 575  
 is but a means unto an end, 506  
 is but a span, 1057  
 is but a sultry day, 1181  
 is but a wraith, this, 934  
 is but an afterthought, 998  
 is but an empty dream, 433  
 is but the pebble sunk, 574  
 is cheap, when, 904  
 is closed our life begins, our, 537  
 is death, perhaps, 1087  
 is eternal love is immortal, 653  
 is ever lord of death, 444  
 is frittered away by detail, 514  
 is given for higher purposes, 232  
 is gliding downward, my, 738  
 is good be it stubbornly long,  
 946  
 is half spent, 138  
 is in labor, 1192  
 is in the loom, 656  
 is in the right, whose, 167, 208  
 is incomplete, my, 548  
 is like a stroll upon the beach,  
 513  
 is like some vast lake, 1198  
 is lovelier for those years, 935  
 is made of, the stuff, 227  
 is made up of marble and mud,  
 422  
 is made up of mere bubbles, 750  
 is more amusing, 673  
 is more than fruit or grain, 835  
 is mostly froth and bubble, 577,  
 601  
 is my college, 595  
 is never the same again, 559  
 is not a dream so dark, 507  
 is not life without delight, 556  
 is not long, 235  
 is not so short, 415  
 is not too long, 405  
 is old death's new, 493  
 is one demd horrid grind, 494  
 is ordained to bear, 459  
 is ours, what a, 1117  
 is over life was gay, 702  
 is over, not wait till, 910  
 is perfected by death, 428  
 is perhaps the only riddle, 624  
 is real life is earnest, 433  
 is rounded out with sleep, 33  
 is short a fleeting vapor, 689  
 is short and uncertain, 238  
 is short, art is long, 433, 1086  
 is short, since, 718  
 is so short, 473  
 is such a little thing, 491  
 is sweet, 528  
 is sweet but after life is death,  
 632  
 is the art of drawing conclu-  
 sions, 614  
 is the game, 818  
 is the mirror of king and slave,  
 671  
 is the rose's hope, 384  
 is the same sweet life, 763  
 is the thing, 791  
 is their madness, 993  
 is to the living, as, 638  
 is too precious, 520  
 is too short for a friend, 410  
 is too short for inferior books,  
 532

Life is too short to waste, 408  
 is torpedoed, 1033  
 is vain, 607  
 is very sweet brother, 407  
 is what our thoughts make it,  
 1125  
 is worth living, believe that, 663  
 is worth living still, 612  
 isn't all beer and skittles, 551  
 issues of, 1232  
 it lights my, 573  
 itself, dancing is, 740  
 joy empire and victory, 367  
 joy impulse are one thing,  
 where, 489  
 just one damned thing after an-  
 other, 873  
 knocks at the door, when, 858  
 laden, 604  
 lag-end of my, 63  
 lamp of, 1096  
 last hour of my, 226  
 last of, for which the first was  
 made, 489  
 lay down his, for his friends,  
 1244  
 lead an academic, 121  
 learn we the larger, to live, 563  
 leaves of, keep falling, 1133  
 let us be just with, 820  
 liberal offices of, 466  
 liberty and the pursuit of hap-  
 piness, 273  
 light of a whole, dies, 707  
 light sane joy of, 779  
 little needed to make a happy,  
 1126  
 live all the days of your, 192  
 live out thy, as the light, 633  
 live the same, over, 601  
 live thou thy, 668  
 live, 'tis death that makes, 491  
 live your, well or ill, 1090  
 lived on silver screens, 1004  
 lived out his, but not his love,  
 597  
 lives forever, no, 632  
 living one's, over again, 228  
 long, a fool his whole, 481  
 long, by the fire, 758  
 long littleness of, 939  
 look, in the eyes, 929  
 looked on, time out of mind,  
 930  
 looks on, with quiet eyes, 837  
 loosened, 223  
 love but as a part of, 581  
 love of, increased with years, 272  
 make his, a heroic poem, 376  
 man should not take his own,  
 1085  
 man who seeks one thing in, 592  
 mankind a future, must have,  
 544  
 man's, of any worth, 385  
 man's real, 726  
 many-coloured, 231  
 map of busy, 265  
 marble softened into, 214  
 marry them for, 310  
 may be prolong'd, 106  
 may long be borne, 371  
 may perfect be, in short meas-  
 ures, 120  
 means, you never know what,  
 401  
 medicine for, 1078  
 mere life, thanks for, 538  
 might be too sunny, 590  
 mine honour is my, 58  
 misfortunes isolation, 1183

Life, more, and fuller that I want,  
 462  
 more terrible than death, 1080  
 mortal, 597  
 mother's, made me a man, 857  
 motion its, 318  
 moving to one measure, 882  
 multiple in seed and cell, 1025  
 my daughter all her, 567  
 my, is done, 59  
 my, is mine, 441  
 my, my joy my food, 1148  
 my portion in this, 162  
 my way of, 88  
 mystery of his, 385  
 naught in this, sweet, 127  
 near the bone, 515  
 necessary to the purposes of,  
 1200  
 neither death nor, 1245  
 new rule of, from tonight, 751  
 next at hand, out of the, 629  
 no man loves, like him, 1082  
 no worse, makes his, 1125  
 nor love thy, nor hate, 155  
 not death for which we pant, 462  
 not death, in, 896  
 not the whole of, to live, 306  
 not to get all we can out of, 694  
 nothing half so sweet in, 335  
 nothing in his, became him, 84  
 o' the building, 86  
 ocean of, 437  
 of a man a heroic poem, 377  
 of a man, nobody can write the,  
 235  
 of a young man, in the, 695  
 of battle good, to count the, 764  
 of care which I have borne, 367  
 of earth that you shall see, 539  
 of ease is not for any man, 378  
 of every man is a diary, 750  
 of humanity may come to an end,  
 891  
 of Johnson, 233  
 of joy, renews the, 386  
 of kings, dull pomp the, 546  
 of life, the very, 1064  
 of man but a point of time, 1116  
 of man, gladness of the heart is,  
 1251  
 of man is a self-evolving circle,  
 420  
 of man less than a span, 112  
 of man solitary poor, 132  
 of mortal breath, 436  
 of mortals, ruler of the, 470  
 of poor Jack, 274  
 of Riley, led the, 1066  
 of significant soil, 955  
 of sweet content, 685  
 of the aged, certain phase in, 987  
 of the husbandman, 417  
 of the law, reason is the, 21  
 of the soul, 1168  
 of the very worms, woven in the,  
 563  
 Oh death in, 466  
 on the ocean wave, 502  
 once in a, 819  
 one entrance into, 1250  
 one hour of, crowded with action,  
 311  
 one, no more, 873  
 one, to lose for my country, 571  
 only significance of, 1192  
 or death, love to woman is, 718  
 or death or birth, not a, 638  
 or play, fact or fiction, 799  
 or years, let for, 134  
 our portion at the close of, 1087

Life, our suffering, the dream, 480  
 outlive his, half a year, 94  
 part with, cheerfully, 1126  
 pass into another, 576  
 passing on the prisoner's, 35  
 perhaps death is, 1087  
 pleasant, to lead, 406  
 pleasures of, 614  
 poor as it is, love your, 515  
 poor, this, 827  
 potency of all terrestrial, 543  
 praise, at the end, 136  
 presiding, angel o'er his, 289  
 prime of, defined, 1088  
 prosperous be thy, 68  
 protracted is protracted woe, 230  
 public, 259  
 pursue, not for nothing we, 178  
 question'd me the story of my,  
 100  
 rapid of, shoots to the fall, 467  
 real, never was begun, 879  
 Red Sea place in your, 763  
 remnant of thy, 1125  
 rendezvous with, 060  
 resurrection and the, 1244  
 richer, begins with years, 573  
 ridge of, 186  
 rough road of, 657  
 runs on, as, 529  
 sacred burden in this, 454  
 sad is our, 503  
 salt of common, 710  
 saw, steadily and saw it whole,  
 545  
 scanty vale of human, 318  
 scheme of, to banish fear, 945  
 sedentary, is the real sin, 1108  
 see not death but, 575  
 see you owe your, 278  
 seemed formed of sunny years,  
 454  
 seems a jest of fate's contriving,  
 577  
 sequestered vale of, 245, 268  
 set gray, and apathetic end, 463  
 set my, at a pin's fee, 91  
 set my, on any chance, 86  
 set my, upon a cast, 72  
 shall one retrace his, 802  
 short, art is long, 1173  
 short, in the saddle, 758  
 short period of, long enough,  
 1096  
 shortens not his own, 96  
 simplify my way of, 376  
 sins enough in his own, 166  
 slits the thin-spun, 159  
 so dear, is, 270  
 so precious, is, 620  
 so small a part of, this is, 560  
 so softly death succeeded, 175  
 some forms of, arise, 504  
 some good things in, 594  
 soon upon the stage of, 474  
 sorrow and suffering in, 440  
 spent a happy, 120  
 spirit giveth, 1246  
 spun out, were, 393  
 staff of, 188  
 staff of my, 1151  
 state of, unto which it shall  
 please God, 1254  
 storm called, 497  
 stormy, 734  
 stormy than, 778  
 stormy sharp on death, 429  
 stormy for, 233  
 still the steady, left, 1094  
 sun in, has crossed the line, 561  
 sunset, 3

Life, supreme happiness of, 1182  
 surrender of, is nothing, 339  
 sweet civilities of, 176  
 sweet submissive, 691  
 swelling of the fresh, within, 559  
 take no thought for your, 1240  
 tearless, 1132  
 thank God for, 610  
 that breathes with human breath,  
 no, 462  
 that dares send a challenge, 165  
 that had song for its leaven, 633  
 that he liveth or loseth, 1124  
 that, is long, 202  
 that knows no ending, 1132  
 that new, when sin shall be no  
 more, 503  
 that seizes upon content, 985  
 that shall be copious, 537  
 that startled them, not deny the,  
 1012  
 that they might have, 1244  
 the eternal life commands, 595  
 there is no wealth but, 533  
 there's hope, while there's, 1153  
 things that were my, 878  
 third of, is passed in sleep, 361  
 this long disease my, 213  
 this was their whole, 1160  
 thorns of, 366  
 those who fought for, 1031  
 thou art a galling load, 285  
 thou art good, 757  
 thou sea-fugue, 664  
 three ingredients in good, 1005  
 time of, is short, 63  
 tired of London tired of, 216  
 'tis of thee they fable so, 649  
 to all of us, 876  
 to be is still the unguessed mys-  
 tery, 444  
 to be taken for, 498  
 to be, tissue of the, 441  
 to come, jump the, 85  
 to dead men, 21  
 to enjoy one's past, 217  
 to every, comes a time supreme,  
 626  
 to lose for my country, one, 195  
 to one born whole, 945  
 toilsome journey of, 558  
 tolerable, way to render, 1167  
 too long, think, 1166  
 too short to bore ourselves, 1195  
 too short to do anything for  
 oneself, 861  
 took a man's, along with him,  
 378  
 treads on life, 428  
 trifles make the sum of, 497  
 true pathos of human, 286  
 trying to breathe strong, 1007  
 two sorts of, 966  
 unbought grace of, 260  
 unembarrassed by cares of busi-  
 ness, 1104  
 unspotted, is old age, 1250  
 untouched by tragedy, 1050  
 urban, saps strength, 739  
 uttered part of a man's, 377  
 vanquished in, 805  
 variety's the spice of, 265  
 veil those who live call, 367  
 voyage of their, 83  
 wage I had asked of, 818  
 was beauty, dreamed that, 508  
 was but a game, 957  
 was duty, found that, 509  
 was full of misfortunes, his, 685  
 was gay, 702  
 was gentle, 84

Life was in the right, 167  
 was like a London fox, 390  
 was like the movies, wish, 968  
 was worth, much as my, 241  
 wasted hours of, 666  
 watch the renewal of, 581  
 wave of, kept heaving, 390  
 we have lost in living, 954  
 we live and see, this, 638  
 weariest and most loathed  
 worldly, 36  
 web of our, 53  
 welcome O, 913  
 well used brings happy death  
 1138  
 westward slope of, 1214  
 we've been long together, 272  
 what am I, 858  
 what is, father, 564  
 what is this, 492  
 what more I asked of, 746  
 what's a, 135  
 wheels of weary, 179  
 when I consider, 178  
 whereof our nerves are scant,  
 462  
 which he has imagined, live the,  
 515  
 while there is, 1096  
 while there is, there's hope, 206  
 white flower of a blameless, 469  
 who leads a good, 276  
 will end, one day my, 1018  
 will have given me the truth  
 929  
 wine of, is drawn, 86  
 with love forever, 686  
 within doors, 422  
 without him live no, 155  
 without industry is guilt, 533  
 without music, 1196  
 without sweetness of love, 578  
 without waiting for that other  
 1203  
 worse things in, than a tumble,  
 309  
 worth living, is, 617  
 would come gladly back, 626  
 would have paid, 818  
 young are prodigal of, 330  
 young ask much of, 862  
 your death has brought, 897  
 Life's a pain and but a span, 115  
 a very funny proposition, 880  
 anvil, still on, 736  
 arrears of pain darkness and  
 cold, 489  
 best hope, 309  
 bitter cup, 1057  
 brave heart, stricken in, 604  
 bright promise, grieve for, 373  
 business the terrible choice, 491  
 busy arts combine, 403  
 but a walking shadow, 88  
 common chord, 492  
 common way, travel on, 298  
 compound of glory and shame  
 570  
 conditions, not from noting, 650  
 dark road, through, 364  
 defeatures, what'er his, 445  
 dim unsounded sea, 350  
 dull round, travelled, 242  
 end, broken only by my, 947  
 evening tinge his brow, ere, 670  
 fading space, double my, 168  
 farthest reach, at, 714  
 feast, chief nourisher in, 86  
 few fleeting years, 707  
 fine loyalties, 648  
 fitful fever sleeps well after, 86

Life's fond illusion, drink deep of, 583  
 garden, in, 924  
 goal, pass, 1081  
 great end, answers, 202  
 greatest blessings, two of, 1104  
 gymnasium, 538  
 hard school, 444  
 high meed, 385  
 history, thrown into, 570  
 ignorant wings, 736  
 journey gaily start them, on, 624  
 joys no longer stirred, 965  
 key, 53  
 long ladder, 493  
 long night is ended, 597  
 long night, through, 928  
 many fears, calmed, 692  
 meaning, read, 597  
 moving-pictures, 223  
 poor play is o'er, 208  
 prose, 595  
 race well run, 555  
 rendezvous, ere I keep, 1023  
 retreat, 338  
 rough sea, 28  
 rude sea, voyaged into, 897  
 sea we roam, as o'er, 401  
 small things, in, 529  
 star, our, 301  
 steep Calvary, 795  
 storm 'tis ever thus when in, 405  
 stormy conflicts, no more for him, 536  
 stress, after, 672

Robert of, 373  
said to Thomas, 986

   a dozen years as one 800  
   a fool the rest of his life 129  
   a long and short time 1128  
   a Rechabite Will must 190  
   a thousand years, 305  
   above the fog, 522  
   according to the convenience of asses 1117  
   again if a man die 1228  
   again in minds made better 520  
   aland as men do, 106  
   all that must die, 89  
   all the days of your life 192  
   alone fear to, 365  
   alone in peace, we cannot 917  
   alone in the bee-loud glade, 793  
   aloof from care 1002  
   always I would not 187 1228  
   always in the best company, 313  
   among men as if God beheld you, 1105  
   an American, I will, 342  
   and act, power to, 305  
   and die, I will to, 1137  
   and die, to itself it only, 108  
   and labour till you goal be won 601  
   and laugh, so, 818  
   and learn, 493, 1080  
   and learn, good to, 1156  
   and let live, 549, 632, 1036  
   and lie awake, 789  
   and love in God's peculiar light 1138  
   and move, in whom we, 1154

Live and see, this life we, 638  
and thrive without training, 4-4  
and toil and lowly die, 907  
as before, what was shall, 489  
as much in all that we have lost,  
we, 534  
as true as I, 116  
as we can, we, 1091  
at home at ease, 115  
at the level of its great men, 713  
ate to, 1119  
bear to, or dare to die, 208  
because he has passed my way,  
691  
beyond its income, desire to, 614  
beyond man's common age, 482  
bid me to, 133  
by bread alone, 1016  
by medicine, 1169  
by no man's leave, 780  
by one man's will, 22  
by sharpening and robbing, 228  
by squeezing from a stone, 951  
by thy light, 546  
cleanly, leave sack and, 63  
completely happy, he that  
would, 1075  
content, majority of men, 1138  
content with small means, 473  
dare to, 1080  
deliberately, I wished to, 514  
drink while you, 1133  
easy, and quiet die, 309  
flesh must, 492  
for bread, 409  
for I'm coming, 1097  
for others and not for myself,  
721  
for ten times ten, 1184  
for those who love me, I, 543  
for yet unnumbered years, 518  
forever, do you want to, 887  
forever, prophets do they, 1239  
giant's eyesight, 592  
give a course in how to, 773  
glad did I, 703  
glad that I, am I, 719  
happy world where all things,  
619  
I do not wish to, 862  
I still, 342  
ill report while you, 93  
in a crowd, have to, 710  
in a gurreet aloof, 620  
in a name, to, 891  
in a trading street, 198  
in an alley, 118  
in clover, how to, 1091  
in continual mortification, 226  
in deers not years, we, 506  
in, Eden to, 667  
in, good world to, 853  
in Grumble Corner, 667  
in hearts they leave behind, 948  
in hearts we leave behind, 328  
in mankind is far more, to, 891  
in peace adieu, 216  
in pleasure when I live to thee,  
225  
in society, God designed us to,  
1168  
in story, but three will, 660  
in teaching me the way to, 405  
in the colours of the rainbow,  
158  
in the crowd of jollity, 331  
in the present, if only we, 684  
in the strictest union, 259  
in the wild anarchy of drink, 120  
in their time, all who, 312  
in these degenerate days, 218

Live in these great times, to, 760  
in vain, I shall not, 583  
in, very good world to, 185  
innocently God is here, 1169  
is Christ, to, 1247  
is to function, to, 655  
it matters not how long we, 506  
laborious days, 159  
let me not, 125  
like a wretch and die rich, 123  
like nature's bastards, 158  
like that stoic bird, 950  
like the velvet mole, 950  
long, do not, 138  
long, every man desires to, 191  
long in health, may you, 906  
long, little too wise ne'er, 116  
long, so wise so young do never  
72  
long, within no man's power to  
1105  
means whereby I, 47  
merrily shall I, now, 33  
might as well, 988  
more virtue than doth, 119  
my life, I only wish to, 692  
never, but hope to live, 1162  
new dawn, 633  
no life, without him, 155  
nobly, within reach to, 1105  
not how long you, 1104  
not in myself, 353  
not the whole of life to, 306  
not while I, 633  
of all who, 710  
on, bravely to, 1080  
on hay work and pray, 1069  
on hope, I, 668  
on lies so they be sweet, 507  
on our knees, 916  
on the earth doth, 78  
on twenty pound a year, 136  
on, we, 936  
one's own sole king, 647  
or die, fear to, 409  
or die survive or perish, 340  
out my years for me, 1048  
out my years, let me, 908  
out thy life as the light, 633  
past years again, none would  
178  
peaceably with all men, 1245  
preoccupied, prefer to, 951  
proudly, 759  
pure speak true right wrong, 47  
rationally, 1126  
rich, better to, 237  
say there are so I can, 926  
so long, if we, 780  
so that when the mighty cars  
van, 371  
so that when thy summon  
comes, 371  
taught us how to, 205  
teach him how to, 268  
teach me to, 183  
teach them to, 1142  
that day, begins to, 585  
that they may eat and drink  
1119  
that thou bearest the strain, 81  
the same life over, I should, 60  
their wonted fires, 245  
they do not, but linger, 123  
they pine I, 20  
things in their pride, 892  
this year's lilacs cannot, 569  
those who wake and, 366  
thou thy life, 668  
through all things, we, 596  
thy Protestant to be, 133

Live till I were married, 39  
till like ripe fruit thou drop, 255  
till my fighting days are done,  
956  
till to-morrow, 267  
times wherein we now, 112  
to be further serviceable to God,  
141  
to be in awe of such a thing, 81  
to be the last leaf, 450  
to be the show and gaze, 89  
to cry, one of us shall, 730  
to desire to live again, 1197  
to eat and eat to live, 229  
to fight another day, 254  
to learn, learn to live and, 566  
to please must please to live, 231  
together, impossible for man  
and wife to, 1112  
too much in a circle, 420  
twice, 217  
twice, to enjoy one's past is to,  
1110  
unblemished let me, 216  
undaunted, 1100  
under the shadow of death, 613  
unseen unknown, let me, 216  
up to precepts of the Gospel, 188  
upon our daily rations, 495  
upon remembered smiles, 797  
upon the vapour of a dungeon,  
102  
valour to dare to, 1080  
we are a machine made to, 1176  
we, but a world has passed away,  
628  
we how we can yet die we must,  
70  
well, sure to, 276  
well, what thou liv'st, 155  
while we live, let us, 225  
while ye may, 152  
while you live, 225  
with a lame man, if you, 1116  
with animals, turn and, 535  
with honour, can no longer, 759  
with love alone, give me to, 406  
with me and be my love, 31, 1025  
with the gods, 1126  
with the men who work, 709  
with thee and be thy love, 21  
with them far less sweet, 335  
with your inferiors, 483  
within doors, how meanly, 182  
within our means, let us all, 606  
within the sense they quicken,  
368  
without conscience, 592  
without him, tried to, 114  
without playing the knave, 181  
without poetry music and art,  
592  
without Thee I cannot, 363  
you others who must, 912  
you still shall, 108  
your life well or ill, 1090  
yours with truer grace to, 689  
Lives, a history in all men's, 65  
after them, evil that men do, 8:  
alone by book and creed, 657:  
along the line, 207  
and fondest hopes, gave their  
1048  
and works through endless  
changes, 378  
are but marches to the grave, 431  
are lost, the, 1005  
are made, so too our, 797  
are padded petrified and plann  
ant, 943  
are strange dark interludings,

Lives as he ought to do, 127  
 a-working for our, 496  
 buying men's, 310  
 competency, longer, 44  
 contentedly, 267  
 daisy, 369  
 deaths toils and teens, 651  
 devote to love and truth, 522  
 do not pray for easy, 613  
 down in our alley, she, 189  
 elegantly on nothing a year, 482  
 epochs in our, are three, 579  
 every pleasure of our, 254  
 for self alone, man who, 657  
 for the meanest mortal, 657  
 forever, no life, 632  
 fortune watcheth o'er our, 1082  
 fortunes and, he will vote away, 573  
 how a man, 235  
 human creatures', 391  
 in a state of war, every creature, 190  
 in an alley, his soul, 118  
 in better taste than their, 1028  
 in bliss, he, 285  
 in eternity's sunrise, 281  
 in fame, 76  
 in sleep, our, 527  
 in the midst of flames, 196  
 in thy possession happy, make our, 194  
 is grand, say our, 907  
 its little hour, 372  
 join, if two, 486  
 laid your good, down, 913  
 leaven lowly, 612  
 led merry merry, 754  
 lovely and pleasant in their, 1226  
 make our, sublime, 28  
 man may last but never, 246  
 more faith in honest doubt, 469, 506  
 more lives than one, 722  
 most who thinks most, he, 506  
 mould our, 613  
 music of men's, 60  
 near the bridge, 246  
 nine, like a cat, 1091  
 noblest, and noblest dies, 544  
 of great men all remind us, 28, 433, 873  
 of men, look into the, 1095  
 of most women and men, in the, 594  
 of obscure persons, 761  
 of others happier, make the, 604  
 of these good men, 304  
 of those who spring from us, 613  
 our fortunes and our sacred honour, 273  
 our pilot still, 71  
 poison our, 853  
 she lives, if she, 660  
 spent their, for us, 882  
 sublime, make our, 433  
 sweetest, 1067  
 talk not of other men's, 1251  
 that women live, composite, 1005  
 though they are gone, 1083  
 to build a generous race, 223  
 to clutch the golden keys, 468  
 to the hills for your, 676  
 turning points of, 864  
 twice who can employ the present, 217  
 twist it and silence, 347  
 we, that once part, 425, 437  
 well, long lives, 1148  
 well, sometimes well that, 1153

Lives well that has lain well hidden, 758  
 would grow together, our, 631  
 ye led were mine, 776  
 Lived amidst untrodden ways, 296  
 an' I ha' worked, I ha', 777  
 and died a scrubby thing, 877  
 and died and lived again, an infant, 450  
 and loved and closed the door, 703  
 and toiled with men, I have, 777  
 as a man among men, 706  
 at your single will, 783  
 die as they have, 330  
 had we, 813  
 happy, can say he has, 1099  
 here long ago, people who, 546  
 I have, seen God's hand, 486  
 in Arcadia, I too have, 1158  
 in noble simplicity, 374  
 in Shakespeare's day, folk who, 621  
 in social intercourse, 235  
 in the eye of nature, 296  
 in the tide of times, 82  
 in vain, brave faith hath not, 507  
 in vain, have not, 1177  
 in vain, to have, 318  
 Knott died Knott, 1057  
 light in the spring, 547  
 like a madman, if he, 1158  
 like fishes, men, 170  
 my day, I have, 168  
 never, and so can never die, 943  
 on the River Dee, 269  
 out his life but not his love, 597  
 probable that thou hast never, 618  
 she at its close, yet, 473  
 the better part of human days, 703  
 the great range of life, 817  
 this day I've, 1099  
 to breed your kind, had, 946  
 to eat, 1119  
 to shame me from my sneer, 513  
 to-day, I have, 177  
 under my woodside, 141  
 under the king, when we, 1066  
 unknown, she, 296  
 where churches grow, never, 920  
 with a gray quietness, 1030  
 with her, but I have, 1175  
 with no other thought, maiden, 459  
 with one generation, 1113  
 without praise or blame, 1135  
 yes I have, 562  
 Livelier iris changes on the dove, 464  
 liquor than the muse, 743  
 plaything, some, 208  
 than despair, hope is, 669  
 Livelihood, means of, 861  
 slave for, 904  
 Live-long day, 81  
 day, absorbs the, 799  
 day, over the, 689  
 day, tell your name the, 584  
 day, through the, 666  
 Lively and lasting sense, 273  
 sense of future favours, 200  
 senses keen and quick, 882  
 to severe, from, 209  
 Liver, abscess on his, 823  
 flow through one small, 360  
 on his sleeve, wear his, 1010  
 turn to water, may his, 807  
 Livers, range with humble, 73

Livery, in sober, all things clad, 152  
 of hell, cunning, 36  
 of the burnish'd sun, 45  
 Livest, be useful where thou, 136  
 Liveth, how the other half, 1140  
 longer than deeds, the word, 1079  
 to himself, none of us, 1245  
 Livid loneliness of fear, 1012  
 Livin' Gawd that made you, 781  
 Living actions, speaker of my, 74  
 air, round ocean and the, 296  
 all there is in, 655  
 and letting live, 886  
 are the dead, how, 697  
 art of, involves change of happiness, 993  
 art of, like wrestling, 1126

     are blest, where they that, 503  
     art is accomplice of, 1199  
     as a debt, think not of, 698  
     as spirits feel, 303  
     as the angels may, 428  
     as those we, decay, 223  
     at first sight, 785  
     at strife, shame with, 176

 Love, base men being in, 201

     can hope where reason despairs,  
         239  
     can never fail to warm, 1136  
     can never lose its own, 444  
     can never more grow old, 690  
     can scarce deserve the name, 355  
     can tell and love alone, 669  
     cannot fight for, 42  
     canopy of, 441  
     canst thou not wait for, 691  
     capricious, face with, 676

     common as light is, 367  
     common cure of, 1151  
     conquered only by flight, 1166  
     conquers all, 1097  
     consists of two solitudes, 1206  
     could never change, we thought,  
         669  
     could teach a monarch, 246  
     could you and I with Him con-  
         spire, 471  
     creation better, I, 920  
     curiosity freckles and doubt, 988  
     dallies with innocence of, 55  
     deep as first, 466  
     deeper than speech our, 778  
     delight in, 193  
     demonstrations of, 1152  
     deplored or sorrow knew, 626  
     despised, sting of, 840  
     die for, 53  
     disguise, blessings, 972  
     dispriz'd, 93

     dream in joy and wake in, 375  
     each in my, alike, 76  
     each time we, 588  
     ebb to humble, 105

Love, emphasis of passionate, 326  
 emptier cups of, 625  
 endures no tie, 176  
 ennobles all, where, 1067  
 enough of, 863  
 esteem and, preserve our breath,  
 1040  
 eunuch students of, 1032  
 evangel-poem of comrades and  
 of, 534  
 every stock and stone, I, 952  
 everything that's old, I, 253  
 exclusive, alone, 564  
 exultations agonies and, 297  
 fabric of my faithful, 981  
 fall out with those we, 466  
 false or true, with, 793  
 fans it, ever, 736  
 far from the lips we, 335  
 feast of, is song, 610  
 finds comfort in despair, 270  
 first stone is, 976  
 flies out the window, 1061  
 for Charlotte, Werther had a,  
 481  
 for ever wilt thou, 383  
 for me shall last, one whose, 1065  
 for the woman you love, 716  
 for them is great, my, 1136  
 for things afar, 1079  
 for thy, I will not grieve, 632  
 for timber, house with, 981  
 free as air, 216  
 freedom comrades, 858  
 freedom in my, 168  
 friendship and marriage, 330  
 friendship last long as our, 612  
 friendship needs emotion to be-  
 come, 617  
 friendship that like, is warm, 336  
 from whom the world began, 669  
 from whose eyelids dropped,  
 1074  
 fruits of, are gone, 358  
 full irradiancy of, 937  
 gather the rose of, 133  
 gilds the scene, 278  
 given unsought, 55  
 glue of, 133  
 God gave them, 870  
 God gives us, 463  
 God is, 452, 477, 1249  
 God the world and, 677  
 God thou art, 452  
 God, to them that, 1245  
 goes toward love, 78  
 gold and pleasure, youth, 455  
 good man's, 50  
 good-night must thou go, 644  
 great with a little gift, 1092  
 greater, hath no man, 1244  
 greater than his power, 617  
 grief is bound up with our, 613  
 grown faint and fretful, 632  
 grows bitter with treason, 631  
 had spread, canopy which, 369  
 half makes, to-day, 737  
 harvest-time of, 322  
 has crossed an ocean, my, 995  
 has found its home, when, 1100  
 has gone and left me, 982  
 has never known a law, 443  
 has overflowing streams, 441  
 has saved me Barbara, 988  
 hath lowly haunts, 406  
 hath no physic, 993  
 have do be the best, 669  
 he bore to learning, 251  
 he purloined away, my, 640  
 he spoke of, 303  
 her, know her was to, 289

Love her, most dear to them that,  
 747  
 her, to see her was to, 287  
 her was a liberal education, 597  
 him and miss him, how much I,  
 450  
 him because he is good, I do not,  
 1200  
 him ere he seems worthy, 197  
 him for the enemies he has made,  
 569  
 him, let him know that you, 679  
 him so as if to hate him, 1080  
 him, so dear I, 155  
 His furniture is, 585  
 honesty and, doth mince this  
 matter, 101  
 how vast a memory has, 216  
 hunt down, together, 631  
 I bear to thee, girdle of, 474  
 I bow before thine altar, 248  
 I gave in May, 656  
 I will speak thy speech, 485  
 if love be perfect, as, 470  
 if music be the food of, 53  
 if, were young, 22  
 if You wish for our, 934  
 in a hut, 383  
 in bonds of, united, 120  
 in God's peculiar light, 1138  
 in, hold, 934  
 in idleness, 406  
 in law or in, 510  
 in my bosom like a bee, 27  
 in my degree, must have, 601  
 in search of a word, 664  
 in the lowliest cot, 545  
 in the open hand, 983  
 in yours Nora Creina, 335  
 infinite, 631  
 intact, still hangs that, 588  
 is a boy by poets styled, 142  
 is a cheat, 774  
 is a flame 858  
 is a kiss and then away, 711  
 is a mood to man, 718  
 is a proud and gentle thing, 947  
 is a sickness full of woes, 30  
 is a spirit all compact of fire,  
 106  
 is all crost, my, 189  
 is an art, 670  
 is blind, 7, 45  
 is blind, never believe her, 862,  
 929  
 is but a frailty of the mind, 193  
 is but a girdle, thy, 474  
 is dead, when, 969  
 is done, when, 707  
 is doomed to mourn, 395  
 is enough though world be a-  
 warning, 609  
 is flower-like, 317  
 is full of showers, 30  
 is God's essence, 617  
 is God's own antidote, 815  
 is grown to ripeness, when, 463  
 is heaven, 306  
 is immortal, 653  
 is indestructible, 322  
 is irresistible, believe, 1011  
 is justified of love, 429  
 is left alone, 463  
 is like a dirtiness, 294  
 is like a landscape, 127  
 is like a red red rose, 287  
 is like a rose, 587  
 is like the wild rose-briar, 416  
 is like war, who dares to say,  
 2036  
 is love, truth is truth and, 887

Love is merchandise, 108  
 is nature's second sun, 28  
 is no hot-house flower, 804  
 is nought old, 7  
 is not abiding, man whose, 1080  
 is not all, 983  
 is not love which alters, 108  
 is old a water, my, 905  
 is old, now that, 757  
 is over, now, 791  
 is repaid with scorn, 269  
 is something so divine, 168  
 is still to have, to, 677  
 is strong as death, 1236  
 is sweet, all, 367  
 is sweet for a day, 631  
 is that orbit of the soul, 553  
 is the ambassador of loss, 748  
 is the beginning of knowledge,  
 378  
 is the coldest of critics, 558  
 is the fulfilling of the law, 1245  
 is the gift God has given, 307  
 is the great amulet, to, 704  
 is the jewel, 869  
 is the lord and the slave of all,  
 559  
 is the only priest, 603  
 is the part and love is the whole,  
 559  
 is the robe and love is the pall,  
 559  
 is the sweetest thing on earth,  
 686  
 is what we give, 506  
 it and who shall dare, I, 512  
 it the same, if honest I, 589  
 it would conceal, 317  
 its essence is, 376  
 it like the meazles, 518  
 keep a corner in the thing I, 102  
 kept in, 882  
 kindness in women shall win my  
 52  
 kisses tears and smiles, 299  
 know your true, from another  
 256  
 knoweth no lawes, 23  
 labour of, 1247  
 land of all I, 544  
 last not least in, 82  
 lasts, spare diet the cause, 163  
 lay thy phobias to rest, 928  
 least that let men know, 33  
 let the warm, in, 384  
 let thy, be younger, 54  
 levels all ranks, 425  
 lies beyond the sea of death, 58  
 life, dost thou, 227  
 light of, purity of grace, 356  
 like a bird, 735  
 like everybody who is not in  
 1203  
 like friendship steady, 356  
 like ours can never die, 776  
 like the light wrapping all, 534  
 lime of, 133  
 little words of, 558  
 live with me and be thy, 205  
 live with thee and be thy, 11  
 live without, 592  
 lived out his life but not his, 407  
 lodged in a woman's breast, 114  
 looks not with the eyes, 42  
 Lord of, came down, 709  
 lost between us, no, 117, 253  
 lost, no, 117, 118, 1155  
 love for the woman you, 716  
 machine, 632  
 made trouble, 767  
 made visible, work is, 922

Love, make, frivolously, 953  
 make, to lips we are near, 335  
 making, 661  
 man in the state of, 1197  
 man's, is a thing apart, 338  
 man's nobler hopes, 736  
 many waters cannot quench, 1236  
 may lift his head, 696  
 May never the month of, 39  
 me at all, you do not, 631  
 me, duke did, 128  
 me, I live for those who, 543  
 me, if she, 132  
 me, if thou must, 429  
 me little love me long, 16, 31  
 me little so you love me long, 133  
 me love my dog, 17  
 me perfectly, now you, 947  
 me, sigh to those who, 350  
 means affection, if, 965  
 medicines to make me, him, 61  
 melt into memory, let, 1199  
 mercy and walk humbly, 1239  
 might enter in, where, 722  
 mightier far is, 303  
 ministers of, 316  
 more we, less we flatter, 1161  
 most, musick the thing I, 182  
 must have wings, 819  
 must kiss that mortal's eyes, 715  
 must needs be blind, 317  
 my country's good, 76  
 my fellow-creatures, I, 623  
 my first last, 463

 my, should mend and sew no more, 975  
 my whole course of, 100  
 never any that could escape, 1132  
 never doubt I, 92  
 never seek to tell thy, 282  
 never, unless you can bear faults, 121  
 no, but vanity, 346  
 no great, in the beginning, 34  
 no longer, loved when, 1159  
 no passages of, betwixt us, 470  
 no true song without, 765  
 none can, none can thank, 246  
 nor hatred in the game, 1195  
 nor says nor thinks. what, 618  
 not death but, 428  
 not for, 51  
 not man the less, 354  
 not me for comely grace, 1061  
 not my, to see, 26  
 not the flower they pluck, 409  
 not the wind, 41  
 not to eat not for, 1043  
 not, when we love them, 1150  
 not ye hopeless sons, 446  
 now who never loved before, 201  
 O fire O, 462  
 O lover, O, 632  
 O lyric, half angel, 490

 there is no fear in 1249  
 there shall be 327  
 there's no lost between us 253  
 they conquer that run away 141  
 they die in yon rich sky 466  
 think of those we 1161  
 this utter trifle for my 683  
 thou spirit given on earth 460  
 thou the rose 593  
 thou wast all that to me 460  
 though prest with ill 263  
 thought that would delight thy  
 618  
 three more am like to 163  
 thy life nor hate nor 155  
 thy name lips that 765  
 thy neighbour as thyself 1225  
 1241  
 thy wife the Belle Aurore 492

 tides of 827  
 to a child give a little 532  
 to be wise and 75  
 to hatred turned no rage like  
 193  
 to have known 630  
 to her unkynde 257  
 to light through 672  
 to me was wonderful thy 1226  
 to prove a sign His 539  
 to read their chronicles I 507  
 to reward the love 486  
 to roam some 503  
 to see when leaves depart 1020  
 to watch the rooster crow I 761  
 to woman is life or death 718  
 too divine to, 363  
 took away, 316  
 tranquil solitude, I, 368

Love, triumph in redeeming, 280  
 triumphing joy and, 151  
 true is like ghosts, 1159  
 true is never blind 557  
 true never did run smooth, 42  
 true tho given in vain 470  
 truly lovers who, 1193

 was liveliest when 610  
 was the pearl of his oyster 612  
 was young came when 757  
 waxed weary of name that 632  
 we serve so long as we 705  
 wedded mysterious law 152

 when two who are parted 1180  
 when we love them not 1150  
 when greybeards call divine 71  
 while still tis yours to love  
 1185  
 white rose breathes of 675  
 who wins his shall lose her 675  
 wholesome stars of 470

 with all their quantity of 97  
 with intensest 316  
 with their own graces in 390  
 without help of anything 282  
 without his wings 361

 669  
 wroth with one we 315  
 years of have been forgot 459

Love you as the fellow-creature,  
 845  
 you, count the times I, 903  
 you happy wayfarer, 911  
 you in December I shall 656  
 you less smiles to those who, 135  
 you someone to, 745  
 you that I might 873  
 you Thursday do not, 982  
 young may go to Jericho 334  
 your enemy bless your haters,  
 471  
 your life poor as it is, 515  
 your neighbour, 137  
 your neighbour's wife, 398  
 Loves a garden loves a greenhouse,  
 765  
 a joke gentle dullness, 215  
 a rosy cheek, he that, 140  
 a shining mark, death, 134. 202  
 again man who 1181  
 an old house, he who, 852  
 and lures, 631  
 as gay and fleeting to, 431  
 be I drink to her that each 328  
 best some people one, 1191  
 better than he is beloved 1143  
 endure weeps that no, 632  
 fierce warres and faithfull, 24  
 he only may chastise who 1200  
 he who for the first time 1181  
 him the better for his faults 253  
 him wholly never think she 929  
 his fellow men, one who 346  
 his mother is not quite lost who  
 51  
 his native country best 471  
 I as I loves you if you 776  
 in vain never 852  
 me best that calls me Tom 129  
 more readily than it hates 422  
 not realities and creators 411  
 not wine woman and song who,  
 381  
 oblique 169  
 of many a mood 633  
 on to the close, as truly, 335  
 or fears or hates all be 306  
 parade glories in gunpowder and,  
 507  
 that we have loved before 871  
 those that God 138  
 to lie with me 48  
 Love's altar-stone upon, 658  
 best habit 109  
 bestowing of 607  
 captive key that locks 609  
 delight for my 784  
 devoted flame mention, 336  
 disappointment endears 493  
 fire still burns 690  
 friend death is 690  
 harbinger evening star 155  
 heralds 79  
 highway of humility, 870  
 keen arrows 50  
 land walked in 802  
 lyric fount of glee, 882  
 more richer than my tongue, 98  
 old drink of Yule, 600  
 old song shall never die 600  
 perfect blossom, 586  
 picture or letter under thy pillow,  
 617  
 praise splendour of 545  
 ripening bread, 885  
 ritornella has, 387  
 sake, for my own 486  
 sake life for her 631  
 sake, thought except for 487  
 shock withstand, 882

Lova's short sweet way, 607  
 sweet smart, 971  
 tender human touch, 682  
 true instinct, with, 335  
 wound, purple with, 42  
 young dream, 335  
 Loved a tree or flower, never, 338,  
 590  
 and closed the door, 703  
 and cradled here, 603  
 and cuddled, 841  
 and known, shall I miss the, 568  
 and lost, better to have, 468  
 and lost, memory of the, 457  
 and near she lies, so, 980  
 and still loves, 289  
 and suffered, thou hast, 562  
 and sung, Sappho, 359  
 another well, 863  
 art in a seemly way, 686  
 arts which I, 167  
 as gold before, 805  
 at all, never to have, 468  
 at first sight, 28, 31  
 at home revered abroad, 284  
 before, who never, 201  
 beyond philosophy or shame, 951  
 but one, sighed to many, 352  
 by earth's male-lands, 486  
 Caesar less, not that I, 83  
 can those who have, forget, 370  
 content to know that he is, 533  
 conviction that we are, 1182  
 each other much, forget we, 730  
 employ, rest from thy, 305  
 England, I have, 862  
 faces looking, 670  
 flowers that fade, 668  
 genius to be, 428  
 her, a friend that, 100  
 her for that she was beautiful,  
 506  
 her that she did pity them, I, 100  
 him and honoured him, I, 939  
 him as he loved his own soul,  
 1226  
 him for himself alone, 279  
 him like a vera brither, 287  
 him most of all, I, 938  
 him, use him as though you, 140  
 him without feigning, 1171  
 his country as no other man, 550  
 his friend, 1058  
 his friend, Jack, 274  
 his friends, but he, 649  
 how honoured how, 217  
 I like not only to be, 521  
 I not honour more, 168  
 I saw and, 271  
 if I would be, 924  
 in secret and apart, 722  
 in the village of Yule, 643  
 in vain, know we, 351  
 in always dear, all we, 822  
 Lavinia therefore must be, 77  
 life, because I have, 880  
 long since and lost awhile, 403  
 long since, 484  
 long wooed, long, 309  
 many, I have, 873  
 me best, as when you, 888  
 me ever so little, if you, 631  
 me for the dangers I had pass'd,  
 100  
 me still the same, you, 386  
 money and knew how to keep it,  
 1152  
 my land, I have, 814  
 never to have, 468  
 no sooner looked but they, 51  
 none without hope e'er, 239

Loved not wisely but too well,  
 103  
 O there beloved all, 937  
 of one, marked of many, 651  
 one saying I wish he were here,  
 555  
 one, the time and the place and  
 the, 493  
 palpable that thou hast never,  
 618  
 passing well, daughter be, 92,  
 255  
 read and re-read and, 532  
 Rome more, I, 83  
 sae blindly, had we never, 287  
 sae kindly, had we never, 287  
 so long and sees no more, 289  
 the great sea, 350  
 the human race, wish I, 759  
 the man, I, 120  
 the prairie, I have, 886  
 the stars too fondly, 661  
 the sun and the rain, 832  
 the world, God so, 1244  
 the world, I have not, 353  
 thee Atthis once, 1075  
 thee but cannot hold thee, 619  
 thee, I always have, 1178  
 thee Ocean, I have, 355  
 them half as much, 822  
 them well, how I have, 659  
 these I have, 945  
 those who always, 201  
 three whole days together, 163  
 to be, needs only to be seen, 174  
 to course with tempests, 1020  
 to plead lament and sue, 307  
 too true, 470  
 when all was young, you, 523  
 when they love no longer, 1159  
 with love that was more than  
 love, 459  
 you and you loved me, when I,  
 1019  
 you best, I, 185  
 you better than you knew, 596  
 you dear as well as he, 802  
 you once in old Japan, 692  
 you Wednesday, if I, 428, 982  
 your moments of glad grace, 793  
 Love-darting eyes, 158  
 Love-gift of a fairy-tale, 598  
 Love-in-idleness, maidens call it,  
 42  
 Love-lamps in the casement hung,  
 482  
 Lovelier still, than lovely mother,  
 1098  
 things have mercy shown, 355  
 Loveliest ever was seen, 388  
 lassie, she's the, 388  
 last still, 354  
 of lovely things, 372  
 of trees the cherry, 742  
 on your light limbs O, 950  
 spot she hath, 570  
 things there be come simply, 981  
 tune becomes vulgar, 1198  
 village of the plain, 250  
 voice is mute, 994  
 woman born, seen the, 792  
 Love-light lies, in those eyes the,  
 336  
 Loveliness alone, one made up of,  
 405  
 fashioned forth its, 651  
 I never knew her, 386  
 increases, its, 382  
 is enough, 655  
 keeps house, place where, 774  
 lay down in her, 315

Loveliness, majesty of, 356  
 not without such, 866  
 O unattempted, 925  
 portion of the, 366  
 saw a dream of, 559  
 spend all you have for, 929  
 web of, 865  
 Lovely and pleasant in their lives,  
 1226  
 and soothing death, 58, 536  
 apparition sent, 299  
 April morning, on that, 562  
 April of her prime, 107  
 as a Lapland night, 299  
 as she, who shall be, 905  
 as you are, so be various, 997  
 being scarcely formed, 301  
 blooming fresh and gay, 276  
 dears her noblest work, 284  
 eyes are Cupid's arms, 193  
 fair, weed who art so, 103  
 female shapes, 606  
 fighting along the whole line, 604  
 floating hair, 600  
 flowers are, 317  
 flowers are gone, 665  
 grow, growing old, 628, 880  
 in a lonely place, 840  
 in sun and shadow, 712  
 in thy youthful grace, 373  
 in your strength, 353  
 is the rose, 301  
 lady garmented in light, 367  
 laughter, her, 121  
 loveliness he made more, 366  
 more, than Pandora, 152  
 mother lovelier still, than, 1098  
 of yore, loving and, 452  
 pictures still shall bloom, 662  
 pupils fear, let my, 226  
 river all alone, 821  
 she's, she's divine, 362  
 sighing of the wind, 385  
 still, with me is to be, 263  
 Thais sits beside thee, 176  
 the brave deserve the, 559  
 thing, memory of a, 929  
 thing, order is a, 865  
 things, death devours all, 980  
 things, do, 523  
 things like that, 990  
 things, loveliest of, 372  
 things to hold in memory, 797  
 things will fade and die, all, 961  
 things will have an ending, all,  
 961  
 thought to mark the hours, 370  
 vales, from our, 392  
 whatsoever things are, 1247  
 woman stoops to folly, when,  
 253, 953  
 world is, 655  
 Lovely-asunder starlight, 672  
 Love-match generally a failure, 810  
 Love-quarrels oft in pleasing con-  
 cord end, 157  
 Lover, absent, 1149  
 all mankind love a, 411  
 and lover, days dividing, 633  
 and no adventurer, earth would  
 know no, 727  
 angel appear to each, 201  
 bears, of all plagues, 189  
 beauty grows familiar to the,  
 104  
 been so great a, 945  
 first, ever forsworn, 660  
 for an hour, as thy, 952  
 give repentance to her, 254  
 gold-hatted high-bouncing, 1052  
 happy as a, 300

- Lover, having been your, 791  
 husband and wife and, 574  
 I am a, 871  
 I must have you, 1052  
 in the husband may be lost, 239  
 lunatic, and the poet, 43  
 millionth millionth, 978  
 no, like an island shore, 842  
 no, of pompous title, 20  
 O love O, 632  
 of all beauty, 445  
 of life, death the, 692  
 of lost hours, no dearer, 579  
 of men, the sea, 631  
 of the Lord shall trust in Him,  
 561  
 or nightingale, for, 711  
 required in every, 1152  
 rooted stays, 411  
 scratch a, and find a foe, 988  
 sighing like furnace, 49  
 sulk no more, 1028  
 to listening maid, 372  
 wailing for her demon, 315  
 who unlocks his heart, 134  
 why so pale and wan, 163  
 without indiscretion, 651  
 woman loves her, 359  
 woman searching for a new, 1030
- Lovers, a pair of star-crossed, 77  
 alas for, 759  
 all beware, 861  
 anger of, 1102  
 are commonly industrious, 1151  
 between true, 1014  
 cannot see the pretty follies, 45  
 eloped in the dark, 673  
 find their peace, when even, 927  
 Frankie and Johnny were, 1063  
 free spenders, free, 1201  
 friends, kindred comrades, 557  
 happy, make two, 216  
 imaginary world of, 732  
 Jupiter laughs at perjuries of, 78  
 lost, all, 812  
 love the western star, 306  
 meeting, journeys end in, 54  
 more admire by far, 358  
 never tired of each other, 1159  
 of idle hours, 757  
 of virtue, all that are, 140  
 old, are soundest, 128  
 pair of, like sunset and sunrise,  
 613  
 quarrels of, 1094  
 Romans countrymen and, 82  
 such as grandma gave her, 569  
 swear more performance, 75  
 too many tears for, 384  
 under-go agony infernal, 861  
 unhappy, should be Frenchmen,  
 972  
 whispering, 250  
 who love truly, 1193  
 women love their, 1159
- Lover's arm she leant, on her, 465  
 arm, still a, 828  
 ghost, some old, 117

 loss, voice of woe for a, 317  
 pride, blithesomely with, 757  
 quarrel with the world, 869  
 star the bloom of spring, the, 805
- Lovers' litany, hear the, 776  
 meeting or luck or fame, 744  
 perjuries, 78  
 perjury, laughs at, 176  
 songs be turned to holy psalms,  
 28  
 thoughts, pansy for, 28
- Lovers' tongues by night, 78  
 Love-rhymes, regent of, 41  
 Love-sick heart dies when the heart  
 is whole, 980  
 winds were, 104  
 Lovesome thing, garden is a, 583  
 Love-songs, cheap, 977  
 Loveth best, prayeth best who, 315  
 well, prayeth well who, 315  
 whom the Lord, 1248  
 Loving and fighting where there are  
 Irish, 778  
 and laughing and free, 925  
 and lovely of yore, 452  
 and serving, 'tis, 501  
 and yet divided, 690  
 are the daring, 565  
 arms, straggler into, 290  
 as well as working, reason for,  
 520  
 friend worth, 679  
 heart, I will give a, 133  
 hearts, shutting away of, 982  
 in the lanes, 1025  
 in the morning, 815  
 Lady Moon whom are you, 459  
 lore of, 649

 of the Berkshire loam, 858  
 pleasure of love is in, 1159

 523

 thoughts and kind, 700  
 too cold for, 858
- Love'st her well, say thou, 109
- Low ability, lean and, 56  
 aim, not failure but, 528  
 ambition and the pride of kings,  
 206  
 ambition and the thirst of praise,  
 262  
 and pensive sound, 369  
 and the humble, hymn of the,  
 533  
 brown hills the bare brown hills,  
 the, 763  
 descending sun, 202  
 desires, weaned my heart from,  
 1138  
 homage of the, 497

 himself, style is the, 122  
 his days are as grass, 1231  
 his hand will be against every,  
 1223  
 his manhood mars, 873  
 honest and perfect, 126  
 honest, appeals to the under-  
 standing, 1061  
 honest, close-buttoned, 266  
 honest, is the noblest work of  
 God, 208, 284  
 how fleeting is estate of, 1126  
 how poor a thing is, 30

Man, human being, 1206  
 hunter-state of, 323  
 I am looking for a, 1130  
 I could be confidential with, 742  
 I didn't like, never met a, 894  
 I fear no, 932  
 I know not, the, 1109  
 I loved in Rome, 982  
 I loved the, 120  
 I might have been, 912  
 I would be, what a, 1067  
 idle, has so much to do, 639  
 if a, be virtuous, 8  
 if you work for a, 745  
 ignorant, adores what he cannot  
 understand, 1193  
 I'm sure he's a talented, 406  
 impossible for a, to be cheated,  
 411  
 in a thousand, one, 783  
 in all integrity of nature, 1170  
 in armor is his armor's slave, 491  
 in arms would wish to be, 300  
 in difficulties, advice of a, 1078  
 in ignorance sedate, 230  
 in leaf in star, joy in, 736  
 in league with the future, 1191  
 in love I was, 965  
 in love, trembled like a, 965  
 in the average, 732  
 in the bush with God may meet,  
 408  
 in the distant future, 449  
 in the mind of, 206  
 in the state of love, 1197  
 in the time of this, 1185  
 in the unsearchable darkness, 669  
 in wit a, 217  
 indignant, is such a liar, 1195  
 indulges in murder, 347  
 inherits honor or wealth, 317  
 instruct a wiser, 1107  
 intimates eternity to, 195  
 is a bundle of relations, 411  
 is a flower, 231  
 is a glass, 1058  
 is a long time coming, 887  
 is a marvellous subject, 1142  
 is a marvellous vain subject,  
 1116  
 is a mere insect, 643  
 is a military animal, 507  
 is a noble animal, 145  
 is a prisoner, 1085  
 is a reasoning animal, 1105  
 is a social animal, 1164  
 is a torch, 801  
 is accommodated, 65  
 is alive to hear, 776  
 is always better than a book, 753  
 is an unconstant creature, 1116  
 is as heaven made him, 1154  
 is as old as he's feeling, 570  
 is born free, 1169  
 is born unto trouble, 1228  
 is busy, when a, 487  
 is but a beast, 258  
 is but a mind, 662  
 is by no means poor, that, 1100  
 is content to know that he is  
 loved, 533  
 is dead, the, 442  
 is dead, this, 1002  
 is either a stoic or a satyr, 716  
 is great and strong and wise, 935  
 is happy, that, 1081  
 is his own star, 126  
 is immortal sage or fool, 758  
 is like a phonograph, 720  
 is like the company he keeps,  
 1083

Man is little to be envied, 233  
 is man and master of his fate,  
 470  
 is mighty, they say that, 534  
 is never alone, 1122  
 is no longer company, 813  
 is nobody in these days, 505  
 is not the creature of circum-  
 stances, 420  
 is not upon oath, 236  
 is small potatoes, 786  
 is so in the way in the house, 475  
 is something to be surpassed,  
 1194  
 is son of his own works, 1148  
 is stark mad, 1143  
 is sure of what he has, 1156  
 is the best cosmopolite, 471  
 is the gowd for a' that, 287  
 is the richest, that, 533  
 is the richest whose pleasures are  
 the cheapest, 515  
 is thy most awful instrument,  
 303  
 is very apt to complain, 236  
 is vile, only, 343  
 is worth something, a, 488  
 it means a, 861  
 judgment falls upon a, 130  
 just, is afraid, 375  
 kindest best-condition'd, 46  
 know myself a, 115

 itics or trade, 413

 life of, less than a span, 112  
 life of, solitary poor, 132  
 lighteth every, 1244  
 lightning out of the dark cloud,  
 1194  
 like a strong, after sleep, 163  
 like Robbie Burns, 777  
 like us, was Christ a, 547  
 little, had a little soul, 334  
 little lamp of, 994  
 little worse than a, 44

 poraries, 1205  
 living-dead, 38  
 load a falling, 74

 may keep nose to grindstone, 227  
 may last but never lives, 246  
 may redeem the past, 711  
 may see how this world goes, 99  
 may tak a neebor's part, 285

 must die in his appointed time,  
 965  
 must eat a peck of salt, 1149  
 must learn or his name is mud,  
 973  
 must not accept money from a  
 woman, 680  
 must please himself, 545  
 must take fat with lean, 497  
 my foe, one worthy, 213

strong, in his wrath, 428  
strong until he feels alone, when  
is, 487  
strongest, on earth, 487

Man struggling in the water, 233

tell the character of every, 1106  
terribly glad to be selling fish,  
887  
that blushes, 202  
that died for men, 639  
that, does not own his own estate,

73  
that has a taste of musick, 196  
that hath a tongue, 34  
that hath friends, 1233  
that hath no music, 47  
that I love and honour, 66  
that is capable of a devotion, 645  
that is not passion's slave, 94  
that lays his hand upon a woman,  
295  
that low, seeks a little thing to  
do, 487  
that made earth tremble, 1217  
that makes a character, 203  
that meddles with cold iron, 24  
that old, eloquent, 161  
that was hanged, house of, 1151  
that was in the evening made,  
145  
that woos to win, 618  
that's marr'd, 53  
that's stubbed his toe, 853  
the hermit sighed, 327  
the hungry sinner, 361  
the most austere, 651  
the one and only one, 827  
the style's the, 453  
the suffering, 381  
the wise, is at home, 410  
the wonder and glory of the uni-  
verse, 448  
there never was a bad, 261

this dust was once the, 536  
this high, with a great thing to  
pursue, 487  
this is the state of, 73  
this mongrel beast, this, 951  
this was a, 84  
this wicked, 1211  
thou art the, 1226  
thou canst not be false to any,  
91  
thou renderest to every, 1230  
thou shalt never die, 350

tent, 202

Man, to every, according to his  
work, 1230  
to every, there openeth a way,  
789  
to every, upon this earth, 400

to good, ill wind which blows no,  
17, 65

to labour in his vocation, 60  
to man, speech made to open, 183  
to match the mountains, 708  
to the glory of, 791  
to the memory of the, 281  
to whom all Naples is known,  
1161  
too fond to rule alone, 213

trubbed with melankolly, 518

upright, God hath made, 1235  
use every, after his desert, 93  
use it lawfully, if a, 1247  
used to vicissitudes, 232  
vain, 834  
vain is the help of, 1230  
vain, may become proud, 1163  
valiant, and free, 460  
various, 286  
very clever, by nature, 290  
vexing the dull ear of a drowsy,  
58  
vile, that mourns, 207  
vindicate the ways of God to,  
206  
void of knowledge, 1092  
wants but little, 202, 254  
war never slays a bad, 1081
